1992 No. 3004

The Workplace (Health, Safety and Welfare) Regulations 1992

Windows, and transparent or translucent doors, gates and walls

14.—(1) Every window or other transparent or translucent surface in a wall or partition and every transparent or translucent surface in a door or gate shall, where necessary for reasons of health or safety—

- (a) be of safety material or be protected against breakage of the transparent or translucent material; and
- (b) be appropriately marked or incorporate features so as, in either case, to make it apparent.
