**1993 No. 2277**

**CLEAN AIR**

**The Smoke Control Areas (Exempted Fireplaces) Order 1993**

*Made* - - - - *15th September 1993*  
*Laid before Parliament* *27th September 1993*  
*Coming into force* - - *18th October 1993*

The Secretary of State, in exercise of the powers conferred by section 21 of the Clean Air Act 1993(1), being satisfied that the classes of fireplace described in the Schedule hereto can be used for burning fuel other than authorised fuels without producing any smoke or a substantial quantity of smoke, hereby makes the following Order—

**Citation and commencement**

1. This Order may be cited as the Smoke Control Areas (Exempted Fireplaces) Order 1993 and shall come into force on 18th October 1993.

**Classes of fireplace exempted from section 20 of the Clean Air Act 1993**

2. The classes of fireplace described in the Schedule shall, upon the conditions there specified, be exempted from the provisions of section 20 of the Clean Air Act 1993 (which prohibits smoke emissions in smoke control areas).

Signed by authority of the Secretary of State

15th September 1993

*Lord Strathclyde*  
Parliamentary Under Secretary of State,  
Department of the Environment

No fuel shall be used other than cereal straw.</li> </ol>

## EXPLANATORY NOTE

*(This note is not part of the Order)*

Section 18 of the Clean Air Act 1993 empowers local authorities to declare the whole or any part of their district to be a smoke control area. Section 20 of the Act generally prohibits the emission of smoke in smoke control areas. By order made under section 21 of the Act specified classes of fireplace may be exempted from the provisions of section 20.

This Order, which applies throughout Great Britain, exempts the classes of fireplace mentioned in the Schedule from the provisions of section 20 subject to conditions requiring installation, maintenance and operation in accordance with the relevant manufacturer's instructions and subject to certain conditions as to the fuel to be used. If these instructions cannot be obtained from the manufacturer,
