“ Categories of interim maintenance assessment

8.—(1) Where a child support officer serves notice under section 12(4) of the Act of his intention to make an interim maintenance assessment, he shall not make that interim assessment before the end of a period of 14 days, commencing with the date that notice was given or sent.

(2) There shall be four categories of interim maintenance assessment, Category A, Category B, Category C, and Category D interim maintenance assessments.

(3) An interim maintenance assessment made by a child support officer shall be—

- (a) a Category A interim maintenance assessment, where any information, other than information referred to in sub-paragraph (b), that is required by him to enable him to make an assessment in accordance with the provisions of Part I of Schedule 1 to the Act has not been provided by that absent parent, and that parent has that information in his possession or can reasonably be expected to acquire it;
- (b) a Category B interim maintenance assessment, where the information that is required by him as to the income of the partner or other member of the family of the absent parent or parent with care for the purposes of the calculation of the income of that partner or other member of the family under regulation 9(2), 10, 11(2) or 12(1) of the Maintenance Assessments and Special Cases Regulations—
 - (i) has not been provided by that partner or other member of the family, and that partner or other member of the family has that information in his possession or can reasonably be expected to acquire it; or
 - (ii) has been provided by that partner or other member of the family to the absent parent or parent with care, but the absent parent or parent with care has not provided it to the Secretary of State or the child support officer;
- (c) a Category C interim maintenance assessment where—
 - (i) the absent parent is a self-employed earner as defined in regulation 1(2) of the Maintenance Assessments and Special Cases Regulations; and
 - (ii) the absent parent is currently unable to provide, but has indicated that he expects within a reasonable time to be able to provide, information to enable a child support officer to determine the earnings of that absent parent in accordance with paragraphs 3 to 5 of Schedule 1 to the Maintenance Assessments and Special Cases Regulations; and
 - (iii) no maintenance order as defined in section 8(11) of the Act or written maintenance agreement as defined in section 9(1) of the Act is in force with respect to children in respect of whom the Category C interim maintenance assessment would be made; or

- (d) a Category D interim maintenance assessment where it appears to a child support officer, on the basis of information available to him as to the income of the absent parent, that the amount of any maintenance assessment made in accordance with Part I of Schedule 1 to the Act applicable to that absent parent may be higher than the amount of a Category A interim maintenance assessment in force in respect of him.
- (e) in this regulation and in regulation 8A, "family" and "partner" have the same meanings as in the Maintenance Assessments and Special Cases Regulations.

Amount of an interim maintenance assessment

8A.—(1) The amount of child support maintenance fixed by a Category A interim maintenance assessment shall be 1.5 multiplied by the amount of the maintenance requirement in respect of the qualifying child or qualifying children concerned calculated in accordance with the provisions of paragraph 1 of Schedule 1 to the Act, and paragraphs 2 to 9 of that Schedule shall not apply to Category A interim maintenance assessments.

(2) Subject to paragraph (5), the amount of child support maintenance fixed by a Category B interim maintenance assessment shall be determined in accordance with paragraphs (3) and (4).

(3) Where a child support officer is unable to determine the exempt income—

- (a) of an absent parent under regulation 9 of the Maintenance Assessments and Special Cases Regulations because he is unable to determine whether regulation 9(2) of those Regulations applies;
- (b) of a parent with care under regulation 10 of those Regulations because he is unable to determine whether regulation 9(2) of those Regulations, as modified by and applied by regulation 10 of those Regulations applies,

the amount of the Category B interim maintenance assessment shall be the maintenance assessment calculated in accordance with Part I of Schedule 1 to the Act on the assumption that—

- (i) in a case falling within sub-paragraph (a), regulation 9(2) of those Regulations does apply;
- (ii) in a case falling within sub-paragraph (b), regulation 9(2) of those Regulations as modified by and applied by regulation 10 of those Regulations does apply.

(4) Where the disposable income of an absent parent, calculated in accordance with regulation 12(1)(a) of the Maintenance Assessments and Special Cases Regulations, would, without taking account of the income of any member of his family, bring him within the provisions of paragraph 6 of Schedule 1 to the Act (protected income), and a child support officer is unable to ascertain the disposable income of the other members of his family, the amount of the Category B interim maintenance assessment shall be the maintenance assessment calculated in accordance with Part I of Schedule 1 to the Act on the assumption that the provisions of paragraph 6 of Schedule 1 to the Act do not apply to the absent parent.

(5) Where the application of the provisions of paragraph (3) or (4) would result in the amount of a Category B interim maintenance assessment being more than 30 per centum of the net income of the absent parent as calculated in accordance with regulation 7 of the Maintenance Assessments and Special Cases Regulations, those provisions shall not apply to that absent parent and instead, the amount of that Category B interim maintenance assessment shall be 30 per centum of his net income as so calculated and where that calculation results in a fraction of a penny, that fraction shall be disregarded.

(6) The amount of child support maintenance fixed by a Category C interim maintenance assessment shall be £30.00 but a child support officer may set a lower amount, including a nil amount, if he thinks it reasonable to do so in all the circumstances of the case.

(7) Paragraph 6 of Schedule 1 to the Act shall not apply to Category C interim maintenance assessments.

(8) A child support officer shall notify the person with care where he is considering setting a lower amount for a Category C interim maintenance assessment in accordance with paragraph (6) and shall take into account any relevant representations made by that person with care in deciding the amount of that Category C interim maintenance assessment.

(9) The amount of child support maintenance fixed by a Category D interim maintenance assessment shall be calculated or estimated by applying to the absent parent's income, in so far as the child support officer is able to determine it at the time of the making of that Category D interim maintenance assessment, the provisions of Part I of Schedule 1 to the Act and regulations made under it, subject to the modification that—

- (a) paragraphs 6 and 8 of that Schedule shall not apply;
- (b) only paragraphs (1)(a) and (5) of regulation 9 of the Maintenance Assessments and Special Cases Regulations shall apply; and
- (c) heads (b) and (c) of sub-paragraph (3) of paragraph 1 of Schedule 1 to the Maintenance Assessments and Special Cases Regulations shall not apply.

(10) Where the absent parent referred to in paragraph (9) is an employed earner as defined in regulation 1 of the Maintenance Assessments and Special Cases Regulations and the child support officer is unable to calculate the net income of that absent parent, his net income shall be estimated under the provisions of paragraph (2A)(a) and (b) of that regulation.

- (a) makes a Category A interim maintenance assessment following a review of a Category A interim maintenance assessment under section 16 of the Act; or
- (b) makes a Category D interim maintenance assessment following a review of a Category D maintenance assessment under section 16 of the Act,

the effective date of that assessment shall be 104 weeks after the effective date of the previous interim maintenance assessment, disregarding any previous interim maintenance assessment made following a review under section 19 of the Act.

(2) Subject to paragraph (4), where a child support officer reviews a Category A or Category D interim maintenance assessment under section 19(1)(c) ^{M14} of the Act on the grounds that it is defective because of a mistake as to its effective date or for reasons which include a mistake as to its effective date, the effective date of a Category A or Category D interim maintenance assessment made following such a review shall be the correct effective date applicable to the interim maintenance assessment being reviewed, as determined in accordance with paragraph (1), regulation 8C(1) or regulation 3(5) of the Maintenance Arrangements and Jurisdiction Regulations, as the case may be.

(3) Subject to paragraph (4), where a child support officer reviews a Category A or Category D interim maintenance assessment under section 19(1)(c) of the Act on the grounds that it is defective for reasons which do not include a mistake as to its effective date, the effective date of a Category A or Category D interim maintenance assessment made following such a review shall be the same as the effective date of the interim maintenance assessment that has been reviewed.

(4) Where the effective date of a Category A interim maintenance assessment made following a review under section 16 or 19(1)(c) of the Act would by virtue of the provisions of paragraphs (1) to (3) be earlier than 16th February 1995, the effective date of that assessment shall be 16th February 1995.

Effective date of an interim maintenance assessment

8C.—(1) Except where regulation 3(5) of the Maintenance Arrangements and Jurisdiction Regulations (effective date of maintenance assessment where court order in force), regulation 9(9) or 33(7) or paragraph (2) applies, the effective date of an interim maintenance assessment shall be—

- (a) in respect of a Category A interim maintenance assessment, subject to regulations 8B, 9(2) and (3) and sub-paragraph (d), such date, being not earlier than the first and not later than the seventh day following the date upon which that interim maintenance assessment was made, as falls on the same day of the week as the date determined in accordance with regulation 30(2)(a)(ii) or (b)(ii) as the case may be;

 - (i) the maintenance enquiry form referred to in regulation 30(2)(a)(i) was given or sent to an absent parent; or
 - (ii) the application made by an absent parent referred to in regulation 30(2)(b) (i) was received by the Secretary of State,

(3) In cases where the effective date of an interim maintenance assessment is determined under paragraph (1), regulation 8B or 9(2), (3) or (9), where a maintenance assessment, except a maintenance assessment falling within regulation 8D(7), is made after an interim maintenance assessment has been in force, child support maintenance calculated in accordance with Part I of Schedule 1 to the Act shall be payable in respect of the period preceding that during which the interim maintenance assessment was in force.

I now have the honour to propose the following amendments to the Principal Memorandum:

After paragraph (4) of Article 5 there shall be inserted:—

“(5) Subject to paragraph (7), where an application for a maintenance assessment is made under the provisions for one territory in relation to an absent parent, a person treated as such, or an alleged absent parent who resides in the other territory, that application shall be dealt with in, and in accordance with the provision made for, the territory in which the person with care resides.

(7) Where paragraphs (5) and (6) apply, the determining authority shall, in determining the amount of child support maintenance to be fixed by any maintenance assessment, take into account in calculating that amount, any provisions which would otherwise have been applicable to that calculation had the assessment been made in accordance with the provision made for the other territory.”.

After Part 6 there shall be inserted the following Part:—

“PART 6A **E+W+S**

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend various regulations made under the Child Support Act 1991 (“the Act”).

Changes to legislation: There are currently no known outstanding effects for the *The Child Support (Miscellaneous Amendments) (No. 2) Regulations 1995*. (See end of Document for details)

The Child Support (Arrears, Interest and Adjustment of Maintenance Assessments) Regulations 1992 are amended to make provision for the circumstances in which a parent with care must reimburse the Secretary of State for overpayments of maintenance which he has repaid to the absent parent as provided for in section 41A of the Act, which was inserted by section 23 of the Child Support Act 1995 (regulation 3).

The Child Support (Information, Evidence and Disclosure) Regulations 1992 are amended to apply to the provision of information on reviews (regulations 7 and 8); to set the time within which certain information is to be supplied (regulation 10); to extend the circumstances in which information can be given (regulation 11); and to make provision for disclosure of information by the Secretary of State to a child support officer and by a child support officer to the Secretary of State (regulation 12).

The Child Support (Maintenance Arrangements and Jurisdiction) Regulations 1992 are amended to allow an application for a maintenance assessment to be made notwithstanding that a court order is in existence, where the court has decided that it has no power to vary or enforce that order (regulation 14).

The Child Support (Maintenance Assessment Procedure) Regulations 1992 are amended in the following respects—

a) regulations 8 and 9 are divided into a number of regulations to make them more comprehensible. Amendments have also been made to make provision for the effective date of Category B interim maintenance assessments generally to have the same effective date as would be applicable to a full maintenance assessment in that case; for effective dates of interim maintenance assessments made where an absent parent has failed to provide information required on review; for an interim maintenance assessment to cease to have effect where a child support officer receives information as to an absent parent's circumstances for part but not the whole of the period since the maintenance enquiry form was sent; and in some circumstances for review of a cancellation of an interim maintenance assessment (regulations 16 and 17);

b) regulation 16A is inserted to make provision for notification of lapsing of an appeal under section 20A of the Act (regulation 23);

c) regulation 18 is substituted to provide that where an application for a review under section 17 of the Act is received less than 8 weeks before a periodical review under section 16 of the Act is due to take place, the periodical review rather than the review under section 17 shall be done (regulation 25);

d) regulation 19 is amended to make new provision for reviews under section 17 of the Act to take account of the amendment of that section. The regulation provides that a child support officer must take account of matters which are brought to his attention by the parties (regulation 26);

e) regulation 30A is inserted to provide for effective dates of new assessments which relate to part only of the period after the maintenance enquiry form was sent and also for the effective date of a subsequent assessment made when all relevant information is available for the whole of the relevant period (regulation 33);

f) regulation 31 is divided into a number of regulations to make it more comprehensible and some amendments are made to effective dates of assessments made on review, in particular, on a review under the new provisions of section 19 of the Act (regulation 34);

g) regulations 35A and 40A are inserted to make provision for the circumstances in which a reduced benefit direction should not be given or will be suspended (regulations 37 and 38).

The Child Support (Maintenance Assessments and Special Cases) Regulations 1992 are amended to make further provision for the definition of "relevant week" for the purposes of reviews and the definition of "day to day care" (regulation 40); to make clear that where housing costs consist of fees paid for residential care, the amount of such fees, for the purposes of exempt and protected income, shall be net of any housing benefit (regulations 42 and 43); to make provision

for adjustment of existing maintenance assessments where a new application is made in multiple application cases (regulation 45); and to make provision for the value of a compensating transfer made out of assets belonging to the parent with care alone (regulation 48). Other amendments made are of a minor, technical or consequential nature. These Regulations do not impose any costs on business.
