These Regulations make provision to implement Commission Regulation (EC) No. 746/96 (O.J. No. L102, 25.4.96, p. 19) (the “Commission Regulation”) laying down detailed rules for the application of the Agri-environment Regulation, in particular Article 10 (which restricts duplication of aid payments), Article 11 (which governs transfers of holdings entered into agreements or undertakings under the Agri-environment Regulation), Article 12 (force majeure), Article 13 (which authorises replacement of an agri-environment scheme undertaking or agreement by another such undertaking or agreement) and Article 20 (which provides for recovery of wrongful payments with interest, a penalty system and exclusion for false declarations).

The Regulations—

- (a) make provision for the Secretary of State to accept replacements for undertakings made pursuant to a scheme approved under the Agri-environment Regulation and to count the period elapsed under that scheme towards the management period for the purposes of the principal Regulations, where the conditions set out in Article 13 of the Commission Regulation are fulfilled (the primary conditions being that the transfer is of unquestionable benefit to the environment and that the existing undertaking is significantly reinforced).
- (b) specify that entitlement to payment under the principal Regulations is subject to the provisions of Article 10 and Article 20(3) of the Commission Regulation,
- (c) make provision to enable the Secretary of State to recover grant and impose penalties in accordance with Articles 11, 12 and 20 of the Commission Regulation,
- (d) set a rate of interest where recovery of money is to include interest in accordance with Article 20(1) of the Commission Regulation, and
- (e) amend the definition of “landlord” in the principal Regulations and provide that any undertaking given under regulation 3 or 6 of those Regulations shall be in writing.

The Regulations form part of a package submitted to the Commission under Article 23 of the Commission Regulation.

No Compliance Cost Assessment in relation to these Regulations has been prepared.
