Scrabster (Forward Supply Base) Harbour Revision Order 1998

PART II

WORKS

Tidal works not to be executed without approval of Secretary of State

9.—(1) A tidal work shall not be demolished, constructed, renewed, reconstructed or altered except in accordance with plans and sections approved by the Secretary of State and subject to any conditions and restrictions imposed by the Secretary of State before the work is begun or while work is still in progress.

(2) If a tidal work is demolished, constructed, renewed, reconstructed or altered in contravention of this article or of any condition or restriction imposed under this article—

- (a) the Secretary of State may by notice in writing require the Trust at its own expense to remove the tidal work or any part thereof and restore the site thereof to its former condition; and if on the expiration of 30 days from the date when the notice is served upon the Trust it has failed to comply with the requirements of the notice, the Secretary of State may execute the works specified in the notice; or
- (b) if it appears to the Secretary of State urgently necessary to do so, he may himself remove the tidal work or part of it and restore the site to its former condition,

and any expenditure incurred by the Secretary of State in so doing shall be recoverable from the Trust.
