## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order further amends the National Savings Bank (Investment Deposits) (Limits) Order 1977 to limit the amount which may be paid into an individual savings account designated as a TESSA only account arising from the proceeds of a mature tax exempt special savings account (“Tessa”). An individual savings account designated as TESSA only account is a new category of investment deposit account being introduced on 26th July 1999 by the National Savings Bank (Amendment) (No. 2) Regulations 1999. The proceeds of a Tessa not exceeding £9,000 and maturing on or after 6th April 1999 may within a period of six months from the day on which the account matures be paid into an individual savings account designated as a TESSA only account in the tax year 1999–2000. In the case of an account maturing on or after 6th January but before 6th April 1999 (where a follow up account is not opened) such payment may be made within six months from the date of maturity of that account.
