**The meaning of time work**

3. In these Regulations “time work” means—
- (a) work that is paid for under a worker’s contract by reference to the time for which a worker works and is not salaried hours work;
  - (b) work that is paid for under a worker’s contract by reference to a measure of the output of the worker per hour or other period of time during the whole of which the worker is required to work, and is not salaried hours work; and
  - (c) work that would fall within paragraph (b) but for the fact that the worker is paid by reference to the length of the period of time alone when his output does not exceed a particular level.
