## EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which come into force on 1st April 2000, amend, in so far as they apply to England, the Dairy Produce Quotas Regulations 1997 (S.I. 1997/733).

These Regulations implement for England a change to Article 6(1) of Council Regulation (EEC) No. 3950/92 (OJ No. L405, 31.12.92, p.1) (as previously amended) establishing an additional levy in the milk and milk products sector, made by Article 1(7) of Council Regulation (EC) No. 1256/1999 (OJ No. L160, 26.6.1999, p.73). Article 6(1) permits Member States, in respect of temporary transfers of quota, to specify any date in the quota year in question (hitherto, no later than 31st December) as the one no later than which such transfers are authorised. These Regulations introduce a date of 31st March as the date by which notice of the temporary transfer must be submitted to the Intervention Board (*regulation 6*).

In consequence, certain changes are made to the dates by which certain other notices etc. are required to be made to the Intervention Board (*regulations 4 and 5*).

In addition, these Regulations—

**a)** remove the Shetland Islands from the particular milk-quota arrangements applying in the Scottish Islands (*regulation 3*);

**b)** include, in the classes of persons required to render reasonable assistance to authorised officers, producers, purchasers, the employees and agents of producers or purchasers, milk hauliers and persons undertaking butterfat testing for purchasers in a laboratory, and align with this the premises in respect of which a power of entry may be exercised (*regulation 7*).

No Regulatory Impact Assessment has been prepared in respect of these Regulations.
