International securities self-regulating organisations

35.—(1) There are excluded from article 25(1) and (2) any arrangements made for the purposes of carrying out the functions of a body or association which is approved under this article as an international securities self-regulating organisation, whether the arrangements are made by the organisation itself or by a person acting on its behalf.

(2) The Treasury may approve as an international securities self-regulating organisation any body corporate or unincorporated association with respect to which the conditions mentioned in paragraph (3) appear to them to be met if, having regard to such matters affecting international trade, overseas earnings and the balance of payments or otherwise as they consider relevant, it appears to them that to do so would be desirable and not result in any undue risk to investors.

(3) The conditions are that—

- (a) the body or association does not have its head office in the United Kingdom;
- (b) the body or association is not eligible for recognition under section 287 or 288 of the Act (applications by investment exchanges and clearing houses) on the ground that (whether or not it has applied, and whether or not it would be eligible on other grounds) it is unable to satisfy the requirements of one or both of paragraphs (a) and (b) of section 292(3) of the Act (requirements for overseas investment exchanges and overseas clearing houses);

- (f) the body or association facilitates and regulates the activity of its members in the conduct of international securities business.

(4) In paragraph (3)(f), “international securities business” means the business of buying, selling, subscribing for or underwriting investments (or agreeing to do so), either as principal or agent, where—

- (a) the investments are securities or [^{F132}relevant investments] and are of a kind which, by their nature, and the manner in which the business is conducted, may be expected normally to be bought or dealt in by persons sufficiently expert to understand the risks involved; and
- (b) either the transaction is international or each of the parties may be expected to be indifferent to the location of the other;
