(4) Where an eligible student has shown himself by his conduct to be unfitted to receive support the Secretary of State may determine that he is no longer eligible for support, and on such determination he shall then cease to be an eligible student.

- (a) no longer be eligible for any support, or
- (b) not be eligible for any particular support or particular amount of support as he considers appropriate in the circumstances.

PART III

- (c) fees payable for field trips (including any tuition element of such fees);
- (d) fees payable for attending any graduation or other ceremony; and

(2) Subject to paragraph (3) an eligible student shall not be eligible for a grant under this regulation if he has previously attended any full-time higher education course provided by an institution in the United Kingdom (“the previous course”):

- (a) which was at or before the time the course was provided maintained or assisted by recurrent grants out of public funds; or
- (b) in respect of his attendance at which a scholarship, exhibition, bursary, grant, allowance, or award of any description which was available to defray fees mentioned in paragraph (1) was paid out of public funds or funds attributable to public funds, by any person or body, public or private.

(3) For the purposes of this regulation a course is not a previous course if it is—

- (a) the present course, or
- (b) any course in connection with his attendance at which he was determined to be eligible for support and that eligibility was transferred as a result of one or more transfers under regulation 7 to the present course.

(4) Paragraph (2) shall not apply where:

- (a) the present course is a course for the initial training of teachers referred to in paragraph 4 of Schedule 2 the duration of which does not exceed two years (a part-time course being treated as its full-time equivalent), and the eligible student has not previously attended a course referred to in paragraph (2) the successful completion of which results in the person completing it being a qualified teacher within the meaning of section 218(2)(a) of the Education Reform Act 1988⁽²⁸⁾, except where the previous course was a course
 - (i) leading to a first degree within paragraph 4 of Schedule 2, or
 - (ii) for the initial training of teachers referred to in paragraph 4 of Schedule 2 the duration of which does not exceed two years (a part-time course being treated as its full-time equivalent) and the eligible student did not successfully complete it; or
- (b) the eligible student has previously attended—
 - (i) only one course referred to in paragraph (2), and
 - (ii) the period of attendance for that course did not exceed one academic year; or

- (a) a year which is the only year of the course;
- (b) the final year of a course of two or three years' duration; or
- (c) the number of final years of a course which is two years less than its duration.

(6) In this regulation any reference to the duration of a course is a reference to the period ordinarily required for its completion by a student who is not excused part of the course on account of his having attended a previous course, in the case of a sandwich course ignoring periods of experience; but for the purposes of paragraph (4)(c) if a student with the consent of the academic authority or authorities concerned—

- (a) ceases to attend one course without completing it, and
- (b) starts to attend another course at the same or another institution

the duration of the course shall be treated as the aggregate of the period spent following the first course and the period which the student in question would ordinarily require for the completion of the second course, in the case of either course being a sandwich course ignoring any periods of experience.

(7) An eligible student shall not be eligible for a grant for fees in respect of an academic year if—

- (a) in relation to that year he is eligible to receive any payment under a bursary or award of similar description bestowed on him under section 63 of the Health Services and Public Health Act 1968⁽²⁹⁾ or article 44 of the Health and Personal Social Services (Northern Ireland) Order 1972⁽³⁰⁾ the amount of which is calculated by reference to his income; or

 - (ii) all the periods of study during the academic year are at an institution outside the United Kingdom;
 - (c) **he is undertaking a flexible postgraduate course for the initial training of teachers, and for the purposes of this sub-paragraph “flexible postgraduate course for the initial training of teachers” means a course of initial teacher training, which has been approved by the Teacher Training Agency(32), the length and pattern of which is determined by the eligible student’s experience and training requirements.**
- (8) Where an eligible student repeats—
- (a) the first year or part of the first year of his course more than once, or
 - (b) any part of his course other than the first year or part of the first year of his course

the Secretary of State may determine that he shall not be eligible for grant for fees in respect of the academic year during which the student repeats.

- (9) Where the eligibility of an eligible student is transferred under regulation 7(1)(a) or (b) and—
- (a) the necessary recommendation or consent to the transfer is given after the first day on which students were ordinarily required to start attending the second academic year of the first course in respect of which he was determined to be an eligible student (“the first course”),

 - (c) the Secretary of State is satisfied after consulting the academic authority or authorities concerned that the period from the beginning of the first academic year of the first course to the end of the final academic year of the course which he now attends (“the current course”) exceeds the duration of the first course or the current course, or the duration of any intervening course in respect of which he was an eligible student, which ever is the longest,

the student shall not be eligible for grant for fees in respect of the number of academic years which is the difference between the above mentioned period and the above mentioned duration.

- (10) For the purposes of paragraph (9)—
- (a) the final academic year of the current course shall be the academic year during which the student is expected to complete the course,
 - (b) in determining the period referred to in that paragraph there shall be included vacations, but not periods of experience which form part of a sandwich course,
 - (c) the duration of a course shall be the period ordinarily required for its completion by a student who is not excused part of the course on account of his having attended a previous course, in the case of a sandwich course ignoring periods of experience, and

(4) In any case where—

- (b) the Secretary of State considers that the increase in the maximum amount does not result from the eligible student—
 - (i) failing to provide information promptly which might affect his eligibility for a loan or the amount of loan for which he is eligible, or
 - (ii) providing information which is inaccurate in any material particular,

he may apply to borrow an additional amount which when added to the amount already applied for shall not exceed the increased maximum.

(4) **On being satisfied that an eligible student is in serious financial difficulty such that his access to a course or his continued attendance on a course may be at risk**, the Secretary of State shall determine the amount of hardship loan which he considers the student requires, and the student shall be eligible for a hardship loan in that amount.

(5) An eligible student who is eligible for a hardship loan shall apply for a loan not greater than the amount referred to in paragraph (4) by completing and submitting to the Secretary of State an application in such form as he may require not later than one month after the date he receives notice of the determination under paragraph (4) and one month before the end of the academic year.

(6) The student shall sign a declaration on the application form in the terms set out in regulation 21(3).

(7) Where the amount of the hardship loan is determined to be less than £500 under paragraph (4), the student may make one further application for a hardship loan in accordance with the requirements of this regulation, except that the amount of the hardship loan under the second determination when added to the amount under the first determination shall not exceed £500.

Application of contribution

24.—(1) The maximum amounts of grants or loans for which an eligible student shall be eligible shall be the amounts remaining after subtracting in accordance with this regulation his contribution from the maximum amount of any—

- (a) grant for fees for which he is eligible under regulation 10, other than fees payable in respect of his attendance at a course—
 - (i) at an institution which is neither maintained nor assisted by recurrent grants out of public funds **other than a course referred to in regulation 11(2)(a)(i)**, or

(2) Where the contribution exceeds the maximum amount of grant referred to in paragraph (1) (a) the maximum amount shall be reduced to nil, and the balance of the contribution not required to reduce the amount to nil shall be available to reduce the maximum amount of grant referred to in paragraph (1)(b).

(3) Where—

- (a) regulation 11(1)(c), (e), (f) or (g) applies to the grant for fees for which the student is eligible, or
- (b) the student is not eligible for grant for fees in pursuance of regulation 10(7)(b),

the amount available to reduce the maximum amount of grant referred to in paragraph (1)(b) shall be calculated in accordance with paragraph (2), but it shall be assumed that the maximum amount of grant referred to in paragraph (1)(a) is **£1,075** rather than the amount referred to in regulation 11(1)(c), (e), (f) or (g) or, in the case of a student who is not eligible for grant in pursuance of regulation 10(7)(b), rather than nothing.

(4) Where the contribution available to reduce the maximum amount of grant referred to in paragraph (1)(b) exceeds that maximum amount it shall be reduced to nil, and the balance of the contribution not required to reduce the amount to nil shall be available to reduce the maximum amount of loan referred to in paragraph (1)(c).

(5) Subject to paragraph (6) where the contribution available to reduce the maximum amount of loan referred to in paragraph (1)(c) would reduce that amount to less than the following amounts—

- (a) in the case of a student who resides at his parent's home while attending the course, **£2,265**;
- (b) for a student who does not—
 - (i) if he attends a course provided at the University of London or at an institution within the area comprising the City of London and the Metropolitan Police District, **£3,525**;

 - (iii) otherwise, **£2,860**

the maximum amount shall be reduced to that amount, and the balance of the contribution not required to reduce the amount of loan to that amount shall be available to reduce the maximum amount of grant referred to in paragraph (1)(d).

(6) Where the academic year in question is the final year of a course other than an accelerated course and the contribution available to reduce the maximum amount of loan referred to in paragraph (1)(c) would reduce that amount to less than the following amounts—

- (a) in the case of a student who resides at his parent's home while attending the course, **£1,975**;
- (b) for a student who does not—
 - (i) if he attends a course provided at the University of London or at an institution within the area comprising the City of London and the Metropolitan Police district, **£3,055**;
 - (ii) if he attends for a period of at least eight weeks and as a necessary part of his course an overseas institution in a high cost country, **£3,040** or in a higher cost country, **£3,615, and if he attends the British Institute in Paris, the amount for France**;
 - (iii) otherwise, **£2,485**

the maximum amount shall be reduced to that amount, and the balance of the contribution not required to reduce the amount of loan to that amount shall be available to reduce the maximum amount of grant referred to in paragraph (1)(d).

(7) Where under regulation 20(6) the Secretary of State determines that different rates shall apply for different quarters of the academic year the amount to which the maximum amount shall be reduced in accordance with paragraph (5) or (6) shall be the aggregate of the three amounts determined under paragraph (8) for the three quarters in respect of which loan is payable.

(8) The amount for each quarter determined under this paragraph shall be one third of the amount referred to in paragraph (5) or (6) which corresponds to the rate which the Secretary of State has determined shall be applicable for the quarter.

(9) Where the contribution available to reduce the maximum amount of grant referred to in paragraph (1)(d) exceeds that amount it shall be reduced to nil.

PART VII

- (b) not later than 10 weeks after the expiry of that period, or promptly after a valid request for payment has been received, if that is later.

(2) The Secretary of State may make a provisional payment where assessment of the student's contribution or other matters have delayed final calculation of the amount of grant for which the student is eligible.

(3) No payment of grant for fees shall be made if—

- (a) before the expiry of three months from the beginning of the academic year the eligible student ceases to attend the course, and
- (b) the academic authority has determined or agreed that he will not commence attending again during the academic year in respect of which the fees are payable, or at all.

Payment of grants and loans for living costs

26.—(1) Subject to the following paragraphs and to regulation 17(4) the Secretary of State shall pay grants for which a student is eligible under Part IV or loans for which a student has applied under Part V in such instalments (if any) and at such times as he considers appropriate; and in the exercise of his functions under this paragraph he may in particular make provisional payments pending the final calculation of the amount of grant or loan for which the student is eligible.

(2) Grants for which a student is eligible under regulation 15 and loans for which a student has applied under Part V other than a loan under regulation 22 shall be payable in respect of three quarters of the academic year, and shall not be payable in respect of the quarter during which in the opinion of the Secretary of State the longest of any vacations is taken.

(3) The Secretary of State shall pay support referred to in paragraph (2) in the following instalments:

- (a) if the first instalment is paid during the first quarter of the academic year in respect of which the support is payable it shall be paid in three equal instalments during the quarters in respect of which it is payable;
- (b) if the first instalment is paid during the second quarter of the academic year in respect of which support is payable it shall be paid in two instalments during the quarters in respect of which it is payable, the first amounting to two thirds of the amount to be paid, and the second one third of that amount; and
- (c) if the first instalment is paid during the third quarter of the academic year in respect of which the support is payable it shall be paid in one instalment.

(4) Payments shall be made in such manner as the Secretary of State considers appropriate, and he may make it a condition of entitlement to payment that the eligible student shall provide him with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(5) Subject to regulation 7 no support referred to in paragraph (2) shall be payable in respect of a quarter beginning after an eligible student has withdrawn from, abandoned or been expelled from his course; and the amount of such support for the academic year shall be the aggregate of the support, if any, which is payable in respect of each quarter.

(6) No support referred to in paragraph (2) shall be payable in respect of a quarter during any part of which an eligible student is absent from his course, unless in the opinion of the Secretary of State it would be appropriate in all the circumstances to pay all or part of the support; and the amount of such support for the academic year shall be the aggregate of the support, if any, which is payable in respect of each quarter.

(7) In deciding whether it would be appropriate to pay all or part of the support under paragraph (6) the circumstances which the Secretary of State shall have regard to shall include the reasons for the student's absence, the length of the absence, and the financial hardship which not paying all or part of the support would cause.

(8) An eligible student shall not be considered to be absent from his course if he is unable to attend due to illness and his absence has not exceeded 60 days.

(9) Where after the Secretary of State has made any payment of support referred to in paragraph (2) he makes a determination of the amount of grant for which the student is eligible in respect of an academic year under regulation 15 either for the first time or by way of revision of a provisional or other determination of that amount—

- (a) if the determination increases the amount of grant for which the student is eligible he shall pay the additional amount in instalments in accordance with paragraph (3), paying the first instalment as soon as is reasonably practicable after the determination and any subsequent instalment with instalments already payable;

- (b) if the determination decreases the amount of grant for which the student is eligible he shall subtract the amount of the decrease from any instalments of grant which remain to be paid under regulation 15, so that the instalments continue to bear the proportion to each other referred to in paragraph (3);

he may pay the support in such instalments, if any, as he considers appropriate.

(13) Notwithstanding the above paragraphs where the periods of attendance for a course are such that the payment of instalments during the quarters in respect of which the support is payable may cause the eligible student hardship the Secretary of State may pay the instalments at such other times as he considers appropriate.

(14) Notwithstanding the above paragraphs where by reason of the absence of the student—

- (a) support referred to in paragraph (2) is reduced in accordance with paragraph (6), and

PARENTAL CONTRIBUTION

Definitions and construction of Part II

2.—(1) In this Part of this Schedule—

“child” includes a step-child but, except in paragraph 4, does not include a child who holds a statutory award; and, except as otherwise provided by paragraph 5, “parent” shall be construed accordingly;

“financial year” means the period of 12 months for which the income of the eligible student’s parent is computed for the purposes of the income tax legislation which applies to it;

“gross income” has the meaning assigned to it by paragraph 5;

“income of the student’s parent” means the taxable income of the parent from all sources computed as for the purposes of the Income Tax Acts or as for the purposes of the income tax legislation of another member State of the European Community which applies to the parent’s income, or where the legislation of more than one member State applies in respect of the same period, as for the purposes of the legislation pursuant to which the Secretary of State considers that the parent will pay the largest amount of tax in that period, except as otherwise provided by paragraph 5 or 6;

“residual income” means, subject to sub-paragraph (2), the balance of gross income remaining in any year after the deductions specified in paragraph 6 have been made.

(2) Where, in a case not falling within paragraph 5(3) or (4), the Secretary of State is satisfied that the income of the parent in any financial year is as a result of some event beyond his control likely to be, and to continue after that year to be, not more than 85 per cent. of his income in the financial year preceding that year, he may, for the purpose of enabling the eligible student to attend the course without hardship, ascertain the parental contribution for the year of his course in which that event occurred by taking as the residual income the average of the residual income for each of the financial years in which that year falls.

(3) Where the eligible student’s parent satisfies the Secretary of State that his income is wholly or mainly derived from the profits of a business or profession carried on by him, then, if the Secretary of State and the parent so agree, any reference in this Part of this Schedule to a financial year shall be construed as a reference to a year ending with such date as appears to the Secretary of State expedient having regard to the accounts kept in respect of that business or profession and the periods covered thereby.

(4) Where a parent is in receipt of any income which does not form part of his taxable income by reason only that—

- (a) he is not resident, ordinarily resident or domiciled in the United Kingdom, or where the parent’s income is computed as for the purposes of the income tax legislation of another member State of the European Community, not so resident, ordinarily resident or domiciled in that member State,
- (b) the income does not arise in the United Kingdom, or where the parent’s income is computed as for the purposes of the income tax legislation of another member State, does not arise in that member State, or

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (c) the income arises from an office, service or employment, income from which is exempt from tax in pursuance of any legislation,

his income for the purposes of this Part of the Schedule shall be computed as though the income first mentioned in this sub-paragraph were part of his taxable income.

(5) Where the income of the eligible student's parent is computed as for the purposes of the income tax legislation of another member State—

- (a) it shall be computed in the currency of that member State,
- (b) the value of any deduction mentioned in paragraph 6(2) shall be the amount of that currency required to purchase the sterling value of the deduction, and
- (c) the value of the sterling which the income of the eligible student's parent in that currency would purchase shall be determined, and shall constitute the income of the student's parent for the purposes of this Part.

(6) The rate applied in determining the sterling value of another currency under sub-paragraph (5) shall be the rate for the month in which the last day of the financial year in question falls published by the Office for National Statistics in "Financial Statistics".

- (3) For the purposes of sub-paragraph (1)(f) an eligible student shall be regarded as irreconcilably estranged from his parents if, but not only if, he has communicated with neither of them for the period of one year before the beginning of the year for which payments in pursuance of his award fall to be made.

the parental contribution for the eligible student shall be such proportion of any contribution ascertained in accordance with this Part as the Secretary of State (after consultation with any other authority involved) considers just; provided that where a contribution is ascertained in respect of more than one child of the parent the aggregate amount of the contributions in respect of each shall not exceed the amount of the contribution that would be ascertained if only one child held an award or, if that amount is different in respect of each child, the lower or (as the case may be) lowest such amount.

Gross income

5.—(1) For the purposes of this paragraph “preceding financial year” means the financial year preceding the academic year in respect of which the resources of the eligible student fall to be assessed and “current financial year” means the financial year which includes the first day of the academic year; provided that where references to a financial year fall to be construed in accordance with paragraph 2(3) as references to a year ending less than five months before the beginning of an academic year of the eligible student’s course, “preceding financial year” shall mean the financial year last ending five or more months before the academic year in respect of which the resources of the eligible student fall to be assessed and “current financial year” shall mean the financial year ending within those five months.

(2) Subject to the provisions of this paragraph, “gross income” means the income of the student’s parent in the preceding financial year or, for the purpose of calculating residual income under paragraph 2(2), in the financial year there mentioned.

(3) Where the Secretary of State is satisfied that the sterling value of the income of the student’s parent in the current financial year is likely to be not more than 85 per cent. of the sterling value of his income for the preceding financial year, he may for the purpose of calculating the parental contribution ascertain the gross income by reference to the current financial year; and in such case sub-paragraph (2) shall have effect, in relation to the academic year in respect of which the eligible student’s resources fall to be assessed and, if the Secretary of State so determines, any subsequent year, as if the reference therein to the preceding financial year were a reference to the current financial year.

(4) Where—

- (a) one of the eligible student’s parents dies either before or during the year in respect of which the resources of the student fall to be ascertained (“the relevant year”); and
- (b) that parent’s income has been or would be taken into account for the purpose of determining the parental contribution,

the parental contribution shall—

- (c) where the parent dies before the relevant year, be determined by reference to the income of the surviving parent; or
- (d) where the parent dies during the relevant year, be the aggregate of—
 - (i) the appropriate proportion of the contribution determined by reference to the income of both parents, that is to say such proportion thereof as the part of the relevant year during which both parents were alive bears to the full year; and
 - (ii) the appropriate proportion of the contribution determined by reference to the income of the surviving parent, that is to say such proportion thereof as the part of the relevant year remaining after the parent dies bears to the full year.

(5) Without prejudice to sub-paragraph (6), where, in pursuance of any trust deed or other instrument or by virtue of any applicable legislation any income is applied by any person for or towards the maintenance, education or other benefit of the eligible student or of any person dependent on the student’s parent, or payments made to his parent are required to be so applied, that income, or those payments, shall be treated as part of the gross income of the parent.

(6) Where any such benefit as is mentioned in paragraph 1(1)(b) of Part I of this Schedule is provided, by reason of the parent’s employment, for any member of his family or household who is an eligible student (whether the student or some other such member) then that benefit shall not be treated as part of the gross income of the parent.

(7) Where the parents do not ordinarily live together throughout the year in respect of which the resources of the eligible student fall to be ascertained (“the relevant year”), the parental contribution

shall be determined by reference to the income of whichever parent the Secretary of State considers the more appropriate in the circumstances.

(8) Where the parents do not ordinarily live together for part only of the relevant year, the parental contribution shall be the aggregate of—

- (a) the appropriate proportion of the contribution determined as provided in sub-paragraph (7), that is to say such proportion thereof as the part of the relevant year for which the parents do not so live together bears to the full year; and
- (b) the appropriate proportion of the contribution determined without regard to this sub-paragraph, that is to say, such proportion thereof as the part of the relevant year for which the parents so live together bears to the full year.

(9) Where one of the eligible student's parents is his step-parent the parental contribution shall be ascertained by reference only to the income of the other parent.

Deductions

6.—(1) For the purposes of determining the income of a student's parent (and, accordingly, the parent's gross income), in computing his taxable income as for the purposes of the Income Tax Acts or for the purposes of the income tax legislation of another member State of the European Community any deductions which fall to be made or exemptions which are permitted—

- (a) by way of personal reliefs provided for in Chapter I of Part VII of the Income and Corporation Taxes Act 1988⁽⁸³⁾, or where the parent's income is computed as for the purposes of the income tax legislation of another member State, any comparable personal reliefs;
- (b) in respect of any payment made by the parent under covenant;
- (c) in pursuance of any legislation or rule of law with the effect that payments which for the purposes of the law of the United Kingdom are treated as income are not treated as income; or
- (d) without prejudice as aforesaid, of a kind mentioned in sub-paragraph (2),

shall not be made or permitted.

(2) For the purpose of determining a parent's residual income there shall be deducted from his gross income—

- (a) in respect of any person, other than a spouse, child or eligible student, wholly or mainly financially dependent on the parent during the year for which the contribution falls to be ascertained, the amount by which £2,305 exceeds the income of that person in that year;
- (b) the gross amount of any premium or sum relating to a pension (not being a premium payable under a policy of life insurance) in respect of which relief is given under section 266, 273, 619 or 639 of the Income and Corporation Taxes Act 1988, or where the parent's income is computed as for the purposes of the income tax legislation of another member State, the gross amount of any such premium in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts;
- (c) where the parents ordinarily live together and one of them is incapacitated, or where the parent ordinarily lives with a person who is not the other parent of the eligible student, but that person is the husband or wife of the parent or lives with the parent as the parent's husband or wife, and one of them is incapacitated, so much of the cost in wages of domestic assistance as does not exceed £1,805, if the other parent or person described in this sub-paragraph is wholly or mainly financially dependent on the parent during the year for which the contribution falls to be ascertained;

(83) 1988 c. 1.

- (d) where the parent does not ordinarily live with the other parent or with another person as husband or wife or who is their husband or wife, and the parent is incapacitated, so much of the cost in wages of domestic assistance as does not exceed **£1,805**;
 - (e) in respect of additional expenditure incurred by reason of the fact that the parent lives in a place where the cost of living is higher than that cost in the United Kingdom, such sum (if any) as the Secretary of State considers reasonable in all the circumstances;
 - (f) in the case of a parent who is an eligible student or who holds a statutory award, **£930**;
 - (g) any payments made to the parent of the student in pursuance of an order of a competent court for the benefit of a child who is not his child of whom he has custody or care or for whom he provides accommodation;
 - (h) where the parent's income is computed as for the purposes of the income tax legislation of another member State, sums equivalent to any amounts which would not be treated as taxable income if that legislation made provision equivalent to the Income Tax Acts.
- (3) In any case where income is computed as for the purposes of the Income Tax Acts by virtue of paragraph 2(4), there shall be deducted from the parent's gross income sums equivalent to the deduction mentioned in sub-paragraph (2)(b), provided that any sums so deducted shall not exceed the deductions that would be made if the whole of the parent's income were in fact taxable income for the purposes of the Income Tax Acts.

PART III

SPOUSE'S CONTRIBUTION

Application of Part III

7. A spouse's contribution ascertained in accordance with this Part shall be applicable in the case of every man student ordinarily living with his wife or, if he falls within paragraph 3(1)(a) and the first academic year of his course (not being an end-on course) begins on or after 1st September 2000, ordinarily living with a woman as his wife, and every woman student ordinarily living with her husband or, if she falls within paragraph 3(1)(a) and the first academic year of her course (not being an end-on course) begins on or after 1st September 2000, ordinarily living with a man as her husband, except—

- (a) a student in whose case parental contribution is applicable in accordance with Part II; and
- (b) an eligible student whose child holds an award in respect of which a parental contribution is applicable or whose child is an eligible student in respect of whom a contribution is ascertained under Part II of this Schedule.

Spouse's contribution

8.—(1) Subject to sub-paragraphs (3) and (4), Part II above, except paragraphs 3, 4(1), (2), (3)(a) and (c), 5(4), (7), (8) and (9), and 6(2)(d), shall apply with the necessary modifications for the ascertainment of the spouse's contribution as it applies for the ascertainment of the parental contribution, references to the parent being construed, except where the context otherwise requires, as references to the eligible student's spouse within the meaning of paragraph 7 and, unless the context otherwise requires, this Part shall be construed as one with the said Part II.

(2) The spouse's contribution shall be in any case in which the residual income is **£17,200** or more . . . , **£45** with the addition of **£1** for every complete **£8** by which it exceeds **£17,200** . . . , reduced in any such case by **£79** in respect of each child of the eligible student who is dependent on him or his spouse on the first day of the year for which the contribution falls to be ascertained; and

in any case in which the residual income is less than £17,200 the spouse's contribution shall be nil; provided that the amount of the spouse's contribution shall in no case exceed £6,591.

(3) This sub-paragraph applies if the eligible student marries or starts living with a person as their husband or wife within the meaning of paragraph 7 during any academic year for which the contribution falls to be ascertained. The contribution for that year shall be the fraction of the sum ascertained in accordance with the provisions of sub-paragraphs (1) and (2) of which the denominator is 52 and the numerator is the number of complete weeks between the dates of the marriage or their starting to live together and whichever is the earlier of the end of that year and the end of the course.

(4) This sub-paragraph applies if the eligible student's marriage terminates or if the student ceases living with a person as their husband or wife within the meaning of paragraph 7 during any academic year for which the contribution falls to be ascertained. The contribution for that year shall be the fraction of the sum ascertained in accordance with the provisions of sub-paragraphs (1) and (2) of which the denominator is 52 and the numerator is the number of complete weeks between the beginning of that year and the termination of the marriage or their ceasing to live together.

(5) In accordance with the provisions of this Part, more than one contribution may be applicable in any academic year.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which come into force on 4th April 2001, are made under section 22 of the Teaching and Higher Education Act 1998 and provide for support for students attending designated higher education courses in respect of an academic year beginning on or after 1st September 2001.

Provisions in these Regulations which differ from the corresponding provisions of the 2000 Regulations as amended (except as a result of minor drafting or consequential changes) are indicated by the use of heavy type. Omissions are indicated by the use of dots. Changes of substance made by these Regulations other than the changes in the rates of fees, grants and loans are described below.

A number of minor changes are made. The definitions of "high cost country" and "higher cost country" are amended in regulation 2(1). Reference to the Royal Agricultural College in regulation 11(2)(b) has been deleted as the Secretary of State has designated it as an institution eligible to receive funds from the Higher Education Funding Council for England with effect from 1st August 2001 and as a consequence it will attract the rate of grant for tuition fees for publicly funded institutions.

Regulation 6(7) makes provision for a new deadline for the submission of an application for a financial assessment for a loan or grant(s) (other than a disabled student's grant) under the Regulations; in future, a student will have nine months from the beginning of the academic year in which to submit his application for a financial assessment, although the Secretary of State may exercise his discretion to extend this deadline.

The previous study provisions in regulation 10(4) have been expanded so that a student who has dropped out of a previous course for "compelling personal reasons", may, at the Secretary of State's discretion, be eligible for grant for fees (*regulation 10(4)(d)*). A student who has already had a "false start" under regulation 10(4)(b) may also benefit from this provision.

Students who are undertaking flexible postgraduate courses for the initial training of teachers, approved by the Teacher Training Agency as defined in these Regulations, will not be eligible for grant for tuition fees (*regulation 10(7)(c)*). For any such courses which have not been approved by the Teacher Training Agency, tuition fee support may be available under regulation 11, provided that the courses are of at least one academic year's duration.

Special provision is made for students at the British Institute in Paris ("BIP") which is a constituent institution of the University of London: for those starting the B.A. course in French studies on or after September 2001, grant for tuition fees will be payable at the rate for courses at publicly funded institutions in the UK, in accordance with the rates set out at regulation 11(1)(a) to (f). For existing students at the BIP, the grant for tuition fees will remain at the lower rate (*regulation 11(1)(g)*). Students at BIP will be eligible for travel grant (*regulation 18(1)(b)*) and they will also be eligible for loans for living costs at the appropriate rate for France (*regulations 20(1)(b)(ii)* and *20(2)(b)(ii)*). There are also consequential amendments to the regulations to include references to the BIP in relation to expenditure incurred by disabled students for the purpose of attending the BIP (*regulation 13(2)(c)(ii)*); medical insurance abroad (*regulation 18(4)*); and the means-testing provisions (*regulations 24(3)(a)*, *24(5)(b)(ii)* and *24(6)(b)(ii)*).

Franchised courses (which are courses provided by publicly funded institutions at private institutions), which start on or after 1st September 2001, will attract the tuition fee rate for courses at publicly funded institutions (*regulation 11(2)(a)(i)*). There will be transitional protection for students who started such courses before 1st September 2001, for whom the private fee rate will continue to apply and for whom the grant for fees will not be means-tested.

A new dependants grant will be available in relation to childcare costs (*regulation 16*). Students who are parents will be eligible for this grant if they satisfy the criteria set out in regulation 16(1). The grant will be based on the actual costs of registered or approved childcare (as defined in regulation 16(6)) of up to £100 per week for one child and £150 for two or more children, paid at a rate of 85% for the first 40 weeks (starting on the first day of the first term, for the purposes of this regulation) and at the rate of 70% for the remainder of the academic year (except where the student is in his final year) (*regulation 16(2)*). Where a student's spouse is also an eligible student, the amount of grant payable under this regulation will be halved (*regulation 16(4)*). A student who is eligible for this grant, or eligible for grant under regulation 15(1) and who has not elected to be ineligible for grant under regulation 16, will also be eligible for a new grant of £500 in respect of expenditure on travel, books and equipment for the purpose of attending his course (*regulation 15(8)*), as well as a top-up grant of £250 to the first dependant's allowance where the first dependant is a child (*regulation 15(1)(c)*).

There are transitional arrangements for existing and end-on students who are lone parents who may opt to receive the lone parents grant (*regulation 15(6)*) by electing to be ineligible for grant under regulation 16. They may only make one such election either before or during the academic year, and they are entitled to revoke it at any time during the academic year (*regulation 15(7)*). Such students will not be eligible for the new travel, books and equipment grant (*regulation 15(8)*), nor will they be eligible for the additional £250 top-up to the first dependant's allowance (*regulation 15(1)(c)*). These students will however be entitled to a higher grant under regulation 15(5) than students with dependants who have not elected to be ineligible for grant under regulation 16.

There are consequential amendments to regulation 24(1)(b) so that the new childcare costs grant under regulation 16 will be included in the means test. The overpayment provisions have been amended to include references to the new grant (*regulation 27(2) and (3)*). Paragraph 1(7) of Schedule 3 has been amended so that a lone parent who has elected to be ineligible for grant under regulation 16 may also elect to be ineligible for grant under regulation 15 and to have disregards in relation to his child or children allowed in calculating his income.

In relation to hardship loans, a definition of hardship has been introduced, with the effect that a student will have to satisfy the Secretary of State that he is in serious financial difficulty such that

his access to a course or his continued attendance on a course may be at risk, in order to become eligible (*regulation 22(4)*).

These Regulations correct a drafting error in regulations 28(3) and (4).

In calculating an eligible student's income for the purposes of determining his contribution, the current disregard of scholarship, bursary and other such award income has been increased to £4,000 (*paragraph 1(1)(b) of Schedule 3*).

The income thresholds for the parental contribution and the spouse's contribution have been raised and the calculations above these thresholds simplified (*paragraphs 4(1) and 8(2) of Schedule 3*).
