The Regulations apply to sites keeping 350 or more laying hens. The Secretary of State is required to create and maintain a register of such establishments recording the details listed in the Schedule and to allocate a distinguishing number to each establishment (regulation 3).

Establishments may not continue in operation after 1st March 2004 if the information in the Schedule has not been supplied by that date and new establishments may not be brought into operation after that date until a distinguishing number has been communicated (regulation 5).

Regulations 6-10 create offences and provide for enforcement.
