(2) Safeguarding works may be carried out—

- (a) at any time before or during the construction in the vicinity of the building of any part of the authorised works; or
- (b) after the completion of the construction of that part of the authorised works, at any time up to the end of the period of 5 years beginning with the day on which that part of the authorised works is first opened for use.

DLRL shall compensate the owners and occupiers of the building for any damage sustained by them.

(9) Without prejudice to article 54, nothing in this article shall relieve DLRL from any liability to pay compensation under section 10(2) of the 1965 Act.
