2005 No. 50

The Blood Safety and Quality Regulations 2005

Import of blood and blood components into the United Kingdom

13. No person shall import into the United Kingdom any blood or blood components (including blood or blood components intended for use as a starting material or raw material in the manufacture of medicinal products) from a country or territory outside the European Community which does not meet standards of quality and safety equivalent to those laid down in Part 5 of the Schedule.
