

## SCHEDULE 1

Regulation 21(1), (2) and (4)

### PARTICULARS TO BE NOTIFIED TO THE EXECUTIVE (or Office of Rail Regulation)

1. Date of forwarding.
2. Exact address of the construction site.
3. The name of the local authority where the site is located.
4. A brief description of the project and the construction work which it includes.
5. Contact details of the client (name, address, telephone number and any e-mail address).
6. Contact details of the CDM co-ordinator (name, address, telephone number and any e-mail address).
7. Contact details of the principal contractor (name, address, telephone number and any e-mail address).
8. Date planned for the start of the construction phase.
9. The time allowed by the client to the principal contractor referred to in regulation 15(b) for planning and preparation for construction work.
10. Planned duration of the construction phase.
11. Estimated maximum number of people at work on the construction site.
12. Planned number of contractors on the construction site.
13. Name and address of any contractor already appointed.
14. Name and address of any designer already engaged.
15. A declaration signed by or on behalf of the client that he is aware of his duties under these Regulations.

## SCHEDULE 2

Regulations 9(1)(b), 13(7) and 22(1)(c)

### WELFARE FACILITIES

#### **Sanitary conveniences**

1. Suitable and sufficient sanitary conveniences shall be provided or made available at readily accessible places. So far as is reasonably practicable, rooms containing sanitary conveniences shall be adequately ventilated and lit.
2. So far as is reasonably practicable, sanitary conveniences and the rooms containing them shall be kept in a clean and orderly condition.
3. Separate rooms containing sanitary conveniences shall be provided for men and women, except where and so far as each convenience is in a separate room, the door of which is capable of being secured from the inside.

#### **Washing facilities**

4. Suitable and sufficient washing facilities, including showers if required by the nature of the work or for health reasons, shall so far as is reasonably practicable be provided or made available at readily accessible places.

*Status: This is the original version (as it was originally made).*

5. Washing facilities shall be provided—
  - (a) in the immediate vicinity of every sanitary convenience, whether or not provided elsewhere; and
  - (b) in the vicinity of any changing rooms required by paragraph 14 whether or not provided elsewhere.
6. Washing facilities shall include—
  - (a) a supply of clean hot and cold, or warm, water (which shall be running water so far as is reasonably practicable);
  - (b) soap or other suitable means of cleaning; and
  - (c) towels or other suitable means of drying.
7. Rooms containing washing facilities shall be sufficiently ventilated and lit.
8. Washing facilities and the rooms containing them shall be kept in a clean and orderly condition.
9. Subject to paragraph 10 below, separate washing facilities shall be provided for men and women, except where and so far as they are provided in a room the door of which is capable of being secured from inside and the facilities in each such room are intended to be used by only one person at a time.
10. Paragraph 9 above shall not apply to facilities which are provided for washing hands, forearms and face only.

### **Drinking water**

11. An adequate supply of wholesome drinking water shall be provided or made available at readily accessible and suitable places.
12. Every supply of drinking water shall be conspicuously marked by an appropriate sign where necessary for reasons of health and safety.
13. Where a supply of drinking water is provided, there shall also be provided a sufficient number of suitable cups or other drinking vessels unless the supply of drinking water is in a jet from which persons can drink easily.

### **Changing rooms and lockers**

- 14.—(1) Suitable and sufficient changing rooms shall be provided or made available at readily accessible places if—
  - (a) a worker has to wear special clothing for the purposes of his work; and
  - (b) he cannot, for reasons of health or propriety, be expected to change elsewhere,being separate rooms for, or separate use of rooms by, men and women where necessary for reasons of propriety.
- (2) Changing rooms shall—
  - (a) be provided with seating; and
  - (b) include, where necessary, facilities to enable a person to dry any such special clothing and his own clothing and personal effects.
- (3) Suitable and sufficient facilities shall, where necessary, be provided or made available at readily accessible places to enable persons to lock away—
  - (a) any such special clothing which is not taken home;
  - (b) their own clothing which is not worn during working hours; and

- (c) their personal effects.

**Facilities for rest**

**15.—**(1) Suitable and sufficient rest rooms or rest areas shall be provided or made available at readily accessible places.

(2) Rest rooms and rest areas shall—

- (a) include suitable arrangements to protect non-smokers from discomfort caused by tobacco smoke;
- (b) be equipped with an adequate number of tables and adequate seating with backs for the number of persons at work likely to use them at any one time;
- (c) where necessary, include suitable facilities for any person at work who is a pregnant woman or nursing mother to rest lying down;
- (d) include suitable arrangements to ensure that meals can be prepared and eaten;
- (e) include the means for boiling water; and
- (f) be maintained at an appropriate temperature.

SCHEDULE 3

Regulation 33(1)(b)

PARTICULARS TO BE INCLUDED IN A REPORT OF INSPECTION

1. Name and address of the person on whose behalf the inspection was carried out.
2. Location of the place of work inspected.
3. Description of the place of work or part of that place inspected (including any work equipment and materials).
4. Date and time of the inspection.
5. Details of any matter identified that could give rise to a risk to the health or safety of any person.
6. Details of any action taken as a result of any matter identified in paragraph 5 above.
7. Details of any further action considered necessary.
8. Name and position of the person making the report.

SCHEDULE 4

Regulation 48(1)

REVOCATION OF INSTRUMENTS

| <i>Description of instrument</i>                                 | <i>Reference</i>               | <i>Extent of revocation</i>                  |
