FEE LOANS FOR CURRENT SYSTEM STUDENTS

Availability of fee loans to current system students - general

17.—(1) A current system student does not qualify for a fee loan in respect of a designated course if—

- (a) he has an honours degree from an institution in the United Kingdom and the exemption in regulation 34(1) or (2) does not apply; or
- (b) the designated course is an old flexible postgraduate course for the initial training of teachers.

(2) A current system student does not qualify for a fee loan in respect of an academic year of a designated course that is a bursary year or an Erasmus year.

(3) When assessing an application for support in respect of an academic year of a designated course, the Secretary of State must determine the “standard entitlement”.

(4) The standard entitlement is calculated in accordance with regulation 18, 19 or 20.

(5) When assessing an application for support in respect of an academic year of a designated course, the Secretary of State must allocate a fee loan from the standard entitlement first to the final standard academic year of the course and then to each preceding standard academic year in turn until the standard entitlement is exhausted or a fee loan has been allocated to each standard academic year of the course.

(6) A current system student qualifies for a fee loan in respect of a standard academic year of the designated course if the Secretary of State allocates a fee loan to that year when assessing the application for support for that year.

(7) In addition to the standard entitlement, a current system student who falls within regulation 19 qualifies for a fee loan in respect of the first academic year that he takes of the designated course that is not a bursary year or an Erasmus year if he failed to complete the most recent previous course because of compelling personal reasons.

(8) Where a current system student qualifies for a fee loan under paragraph (7), the Secretary of State must not allocate a fee loan under paragraph (5) to the first academic year that the student takes of the designated course that is not a bursary year or an Erasmus year.

(9) In addition to the standard entitlement, if the Secretary of State determines that the student is repeating an academic year of the designated course because of compelling personal reasons, a current system student qualifies for a fee loan in respect of the year of repeat study provided that the academic year that the student is repeating was a qualifying year of study and the year of repeat study is not a bursary year.

(10) A current system student qualifies for a fee loan in respect of an academic year of a designated course that is a year of repeat study which the student is taking other than for compelling personal reasons if—

- (a) the academic year which he is repeating was a qualifying year of study;
- (b) the academic year of repeat study is not a bursary year; and
- (c) when the academic year of repeat study is added to the number of any other academic years of repeat study that the student has already taken on the current course other than for compelling personal reasons, it does not exceed the number of additional years of support.

(11) In this regulation, the “number of additional years of support” is the number of years which make up the standard entitlement less the number of standard academic years (plus one where the student qualifies for a fee loan under paragraph (7)).

(12) The amount of the fee loan in respect of an academic year is determined in accordance with regulation 21 and may be nil.

Standard entitlement of current system students who have not studied on a previous course

18. The standard entitlement of a current system student who has not studied on a previous course is calculated as follows—

$$OD + 1$$

where

OD is the number of academic years that make up the ordinary duration of the course.

Standard entitlement of current system students who have transferred from or otherwise studied on a previous course

19.—(1) The standard entitlement of a current system student who has studied on a previous course and who does not fall within regulation 20 is calculated as follows—

$$(OD + 1) - PC$$

where

OD is the number of academic years that make up the ordinary duration of the course

PC is the number of academic years that the student has spent on previous courses.

(2) For the purposes of this regulation, a “current system student who has studied on a previous course” includes a current system student who has had his status as an eligible student transferred to the current course as a result of one or more transfers of that status by the Secretary of State pursuant to regulations made by him under section 22 of the 1998 Act from a designated course which—

- (a) is a previous course; and
- (b) the student began on or after 1st September 2006.

Standard entitlement of current system students on end-on courses and certain degree courses

20.—(1) This regulation applies to—

- (a) a current system student who is on an end-on course of the kind described in paragraph (a) or (b) of the definition of “end-on course” in regulation 2;
- (b) a current system student who—
 - (i) has completed a full-time course mentioned in paragraph 2 or 3 of Schedule 2;
 - (ii) is on a full-time first degree course (other than a first degree course for the initial training of teachers) that he did not begin immediately after the course referred to in paragraph (i); and
 - (iii) has not taken a full-time first degree course after the course referred to in paragraph (i) and before the current course;
- (c) a current system student who—
 - (i) has completed a full-time foundation degree course;
 - (ii) is on a full-time honours degree course that he did not begin immediately after the course referred to in paragraph (i); and
 - (iii) has not taken a full-time first degree course after the course referred to in paragraph (i) and before the current course.

(2) Regulations 18 and 19 do not apply to students to whom this regulation applies.

(3) The standard entitlement of a student to whom this regulation applies is calculated as follows—

$$(D + X) - PrC$$

where

D is the greater of 3 and the number of academic years that make up the ordinary duration of the course

X is 1 where the ordinary duration of the preliminary course was less than three years and 2 where the ordinary duration of the preliminary course was three years

PrC is the number of academic years that the student spent on the preliminary course excluding any years of repeat study for compelling personal reasons.

Amount of the fee loan

21.—(1) Unless one of the cases set out in paragraph (3) applies, the amount of a fee loan in respect of an academic year of a designated course must not exceed the lesser of—

- (a) £3,145; and
- (b) the fees payable by the student in connection with that year.

(2) In the cases set out in paragraph (3), the amount of a fee loan in respect of an academic year of a designated course must not exceed the lesser of—

- (a) £1,570; and
- (b) the fees payable by the student in connection with that year.

(3) The cases are—

- (a) the final academic year of a designated course where that academic year is normally required to be completed after less than 15 weeks’ attendance;
- (b) in respect of a sandwich course, an academic year—

- (i) during which any periods of full-time study are in aggregate less than 10 weeks; or
 - (ii) if in respect of that academic year and any previous academic years of the course the aggregate of any one or more periods of attendance which are not periods of full-time study at the institution (disregarding intervening vacations) exceeds 30 weeks;
 - (c) in respect of a course for the initial training of teachers, an academic year during which any periods of full-time study are in aggregate less than 10 weeks;
 - (d) in respect of a course provided in conjunction with an overseas institution, an academic year—
 - (i) during which any periods of full-time study at the institution in the United Kingdom are in aggregate less than 10 weeks; or
 - (ii) if in respect of that academic year and any previous academic years of the course the aggregate of any one or more periods of attendance which are not periods of full-time study at the institution in the United Kingdom (disregarding intervening vacations) exceeds 30 weeks.
- (4) If a student's status as an eligible student is transferred from one designated course to another under these Regulations and the circumstances in paragraph (5) apply, the student may apply to the Secretary of State to borrow an additional amount by way of a fee loan in respect of the academic year of the course to which he transfers.
- (5) The circumstances are—
- (a) the fees payable in respect of the academic year of the course to which the current system student transfers exceed the fees payable in respect of the academic year of the course from which the student is transferring; and
 - (b) the academic year of the course to which the current system student transfers does not begin on a later date than the academic year of the course from which he is transferring.
- (6) If a student's status as an eligible student is transferred from one designated course to another under these Regulations and the circumstances in paragraph (7) apply, the student may apply to the Secretary of State for another fee loan in respect of the academic year of the course to which he transfers.
- (7) The circumstances are that the academic year of the course to which the current system student transfers begins on a later date than the academic year of the course from which he is transferring.
- (8) Where the circumstances in paragraph (5) apply, the maximum additional amount that the current system student may borrow in respect of the academic year to which he transfers, provided that he qualifies for a fee loan in respect of that year, is determined by deducting the amount of any fee loan he has taken out under these Regulations in respect of the academic year from which he is transferring from the lesser of—
- (a) £3,145 or, where one of the cases set out in paragraph (3) applies, £1,570; and
 - (b) the fees payable by the student in respect of the academic year to which he is transferring.
- (9) Where the circumstances in paragraph (7) apply, the maximum amount of fee loan that a current system student may borrow in respect of the academic year to which he transfers provided that he qualifies for a fee loan in respect of that year is the lesser of—
- (a) £3,145 or, where one of the cases set out in paragraph (3) applies, £1,570; and
 - (b) the fees payable by the student in connection with that year.

(2) A continuing student does not qualify for a grant for fees in respect of any academic year of the course that begins on or after 1st September 2008 where in the course of assessing an application for support in respect of an academic year of the designated course that began before 1st September 2006 the Secretary of State determined in accordance with regulations made by him under section 22 of the 1998 Act that the student did not qualify for fee support in respect of the designated course.

where

SAY is the number of standard academic years of the designated course that begin after 31st August 2006,

X is the number of academic years of the designated course that begin after 31st August 2006 in respect of which the Secretary of State determined in accordance with regulations made by him under section 22 of the 1998 Act that the student did not qualify for a grant for fees in the course of assessing an application for support in respect of an academic year of the designated course that began before 1st September 2006.

(2) This regulation does not apply where an eligible student has transferred from a course in relation to which he was a gap year student to another designated course in accordance with regulations made by the Secretary of State under section 22 of the 1998 Act.

(3) Where in the course of assessing an application for support in respect of an academic year of the relevant course, the Secretary of State determined in accordance with regulations made by him under section 22 of the 1998 Act that the student did not qualify for fee support in respect of that course, a transferring student does not qualify for a grant for fees in respect of any academic year of the current course.

(4) In this regulation, the “relevant course” is the designated course that the student was taking as at 31st August 2006.

31. An old system student qualifies for a fee contribution loan in respect of an academic year of a designated course if—

- (a) he qualifies for a grant for fees in respect of that year or would have qualified if he had applied for the grant (even if the amount is or would have been nil); and
- (b) the designated course is provided by or on behalf of an institution that was publicly funded as at 1st August 2005.

Amount of the fee contribution loan

32.—(1) Where an old system student applies for a grant for fees and a fee contribution loan, the amount of the fee contribution loan in respect of an academic year of the designated course is the amount for which the student applies not exceeding the difference between the basic amount of the grant determined under regulation 28 or 29 and the amount of the grant that is payable after the application of the contribution in accordance with regulation 98.

(2) Where the only fee support for which an old system student applies is a fee contribution loan, the maximum amount for which the student may apply in respect of an academic year is the lesser of—

- (a) £1,255 or, if any of the cases set out in regulation 21(3) apply, £625; and

- (b) the fees payable by the student in connection with the academic year.
- (3) An old system student may apply to borrow an additional amount of fee contribution loan where—
 - (a) the Secretary of State determines that the maximum amount of fee contribution loan should be increased (including an increase from nil) as a result of a reassessment of the student's contribution or otherwise; and
 - (b) the Secretary of State considers that the increase in the maximum amount does not result from the old system student—
 - (i) failing to provide information promptly which might affect his ability to qualify for a grant for fees or fee contribution loan or the amount of grant for fees or fee contribution loan for which he qualifies; or
 - (ii) providing information which is inaccurate in any material particular.
- (4) The additional amount under paragraph (3) is an amount which when added to the amount already applied for does not exceed the increased maximum.
- (5) Where an old system student has applied for a fee contribution loan of less than the maximum amount to which he is entitled, he may apply to borrow an additional amount which, when added to the amount already applied for, does not exceed the relevant maximum applicable in his case.

CHAPTER 5

INTERPRETATION OF PART 4

Previous course

33.—(1) Subject to the exceptions in paragraphs (3), (4) and (5), a “previous course” is any full-time higher education course or any part-time course for the initial training of teachers which the student began to attend or, in the case of a compressed degree course or a designated distance learning course, undertake before the current course and which meets one or both of the conditions in paragraph (2).

- (2) The conditions are—
 - (a) the course is provided by an institution in the United Kingdom which was publicly funded for some or all of the academic years during which the student took the course; or
 - (b) any scholarship, exhibition, bursary, grant, allowance or award of any description which was paid in respect of the student's attending or, in the case of a compressed degree course or a designated distance learning course, undertaking the course to defray fees was from public funds or funds attributable to public funds.
- (3) A course which would otherwise be a previous course will not be treated as such if—
 - (a) the current course is a course for the initial training of teachers;
 - (b) the duration of the current course does not exceed two years (the duration of a part-time course being expressed as its full-time equivalent); and
 - (c) the student is not a qualified teacher.
- (4) A course for the Certificate in Education which would otherwise be a previous course will not be treated as such if—
 - (a) the current course is a course for the degree (including an honours degree) of Bachelor of Education;
 - (b) the student transferred to the current course from the course for the Certificate in Education before the completion of that course or began the current course on completion of the course for the Certificate in Education.

(5) A course for the degree (other than an honours degree) of Bachelor of Education will not be treated as a previous course if—

- (a) the current course is a course for the honours degree of Bachelor of Education;
- (b) the student transferred to the current course from the course for the degree (other than an honours degree) of Bachelor of Education before the completion of that course or began the current course on completion of the course for the degree (other than an honours degree) of Bachelor of Education.

(6) Subject to paragraphs (7), (8) and (9), for the purpose of determining PC in the formulae in regulations 19 and 26—

- (a) each academic year that the student completed on a previous course is counted; and
- (b) an academic year of a previous course that the student began or ceased to attend part of the way through the year is counted as one academic year on a previous course.

(7) For the purpose of determining PC in the formulae in regulations 19 and 26, an academic year of a previous course is not to be counted as a year spent on a previous course if—

- (a) the student did not qualify for fee support for that year other than because the academic year was a bursary year or an Erasmus year; and
- (b) the student qualified for fee support for some but not all of the academic years of that previous course.

(8) For the purpose of determining PC in the formulae in regulations 19 and 26, an academic year of a previous course is not to be counted as a year spent on a previous course if it was a year of repeat study that the student was taking for compelling personal reasons or a year in relation to which the student qualified for fee support because he had failed to complete a previous course for compelling personal reasons.

(9) For the purpose of determining PC in the formulae in regulations 19 and 26, where a student transfers from an academic year of one designated course to an academic year of another designated course before the Secretary of State considers that he has completed the year from which he is transferring, the time spent by the student during the academic year in which the transfer takes place on the course from which he is transferring is not counted as a year spent on a previous course.

(10) A student who undertook a previous course but was not in attendance because he was unable to attend for a reason which related to his disability is only treated as if he had been in attendance on the previous course in respect of periods of study beginning on or after 1st September 2006.

Miscellaneous

34.—(1) An eligible student is not prevented from qualifying for fee support under this Part by virtue of having an honours degree from an institution in the United Kingdom if—

- (a) the current course is a course for the initial training of teachers;
- (b) the duration of the current course does not exceed two years (the duration of a part-time course being expressed as its full-time equivalent); and
- (c) the student is not a qualified teacher.

(2) Where the current course is considered to be a single course because of regulation 5(6) and (7) and it leads to an honours degree from an institution in the United Kingdom being conferred on the eligible student before the final degree or equivalent qualification, the eligible student is not prevented from qualifying for fee support under this Part in respect of any part of the single course by virtue of having that honours degree.

(3) For the purposes of calculating the amount of fee support, an institution that provides courses designated by regulation 4 of the Education (Student Support) (Dance and Drama) Regulations

1999(1) is not to be regarded as publicly funded by reason only that it receives public funds from the governing body of a higher education institution in accordance with section 65(3A) of the Further and Higher Education Act 1992(2).

(4) Where an institution allows an eligible student to study the content of one standard academic year of the designated course over two or more academic years, for the purpose of determining whether the student qualifies for fee support for those years, the last of such years of study is to be treated as a standard academic year and the preceding years of that kind are to be treated as years of repeat study other than for compelling personal reasons.
