EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Community Legal Service (Financial) Regulations 2000, which govern the financial aspects of the provision of services funded by the Legal Services Commission in civil and family matters. A person who receives specified benefits is entitled to funded services. The Regulations make it clear that in assessing whether such a person is, or is any longer, financially eligible for particular services, the Legal Services Commission must be satisfied that the person is not only in receipt of the benefits but also entitled to them.

An impact assessment has not been prepared for this instrument as no impact on businesses, charities or the voluntary sector is foreseen.
