(2) In Part 3 of the 1991 Act references, in relation to major highway works, to the highway authority concerned shall, in relation to works which are major transport works by virtue of paragraph (1), be construed as references to the Company.

(3) The following provisions of the 1991 Act shall not apply in relation to any works executed under the powers conferred by this Order—

(4) The provisions of the 1991 Act mentioned in paragraph (5) (which, together with other provisions of that Act, apply in relation to the execution of street works) and any regulations made, or code of practice issued or approved under, those provisions shall apply (with the necessary modifications) in relation to any stopping up, alteration or diversion of a street of a temporary nature by the Company under the powers conferred by article 9 (temporary stopping up and diversion of streets) whether or not the stopping up, alteration or diversion constitutes street works within the meaning of that Act.

- (5) The provisions of the 1991 Act referred to in paragraph (4) are—

(7) Nothing in article 11 (construction and maintenance of altered or diverted streets) of this Order shall—

- (a) prejudice the operation of section 87 of the 1991 Act (prospectively maintainable highways), and the Company shall not by reason of any duty under that article to maintain a street be taken to be the street authority in relation to that street for the purposes of Part 3 of that Act; or
