The Electricity and Gas (Carbon Emissions Reduction) (Amendment) Order 2010

Amendment of article 16 (reporting and monitoring)

14.—(1) Article 16 (reporting and monitoring) is amended as follows.

(2) In paragraph (1)(a)(i), for “carbon emissions reduction obligation;” substitute “carbon emissions reduction obligation, insulation obligation, priority group obligation and super priority group obligation;”.

(3) For paragraph (1)(a)(ii) substitute—

“(ii) whether the supplier has complied with those obligations, including such information which the Authority has informed the supplier it requires for the purposes of verifying that no qualifying action under the Electricity and Gas (Community Energy Saving Programme) Order 2009 is counted for the purposes of compliance under this Order;”.

(4) After paragraph (1)(b) insert—

“(c) from 1st August 2010, in relation to the provision of solid wall insulation, approved as a standard action, market transformation action or a priority group flexibility action, information relating to the main fuel source used to heat the premises where the solid wall insulation is installed.”.

(5) After paragraph (4) insert—

“(5) By 31st July 2011, 31st July 2012 and 30th April 2013 the Authority must submit to the Secretary of State a report setting out in respect of the year ending on the preceding 31st March the progress made—

(a) by each supplier towards complying with the supplier’s—

(i) carbon emissions reduction obligation;

(ii) insulation obligation;

(iii) priority group obligation; and

(iv) super priority group obligation;

and

(b) towards achieving the overall carbon emissions reduction target, including information about the percentage of the overall target which has been met by all suppliers by the promotion of real-time displays, home energy advice packages and market transformation actions.”.
