(4) An authority must treat a defective application as if it had been validly made in the first instance if, in any particular case, the conditions specified in sub-paragraph (5)(a), (b) or (c) are satisfied.

(7) Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under an authority's scheme in the reduction week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to a reduction under its scheme for a period beginning not later than—

(3) In any case where paragraph 5(1)(a) (date on which application made: state pension credit comprising guarantee credit) applies, sub-paragraph (2) does not entitle a person to apply for a reduction under an authority's scheme in respect of any day earlier than three months before the date on which the claim for state pension credit is made (or treated as made by virtue of any provision of the Social Security (Claims and Payments) Regulations 1987).

(5) Nothing in this paragraph requires a person who is a pensioner to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.
