**2012 No. 3032**

The Restriction of the Use of Certain Hazardous Substances  
in Electrical and Electronic Equipment Regulations 2012

PART 2

Prohibitions and Obligations on Economic Operators

*Manufacturers and their authorised representatives*

**Register of EEE**

**19.** A manufacturer must keep a register of any EEE placed on the market that the manufacturer has manufactured, or had designed and manufactured,—

- (a) in relation to which any provision of these Regulations has not been complied with; or
- (b) which has been recalled,

and keep distributors informed of these matters.
