**2012 No. 3032**

The Restriction of the Use of Certain Hazardous Substances  
in Electrical and Electronic Equipment Regulations 2012

PART 2

Prohibitions and Obligations on Economic Operators

*Importers*

**Duty in certain circumstances to comply with manufacturers' duties in place of importers' duties**

**28.**—(1) An importer who places EEE on the market under the importer's name or trademark must comply with all of the duties imposed by these Regulations on manufacturers, and in such a case, a reference to the manufacturer in these Regulations is to be taken as being a reference to the importer.

(2) Such an importer is not required to comply with the duties imposed by these Regulations on importers.
