- (4) The second condition is that the payments fall within one or more of the following categories:

Category A - Payments to maintain the general standard of the accommodation

Payments within this category are for—

- (a) (a) the external cleaning of windows, but only in relation to upper floors of a multi-storey building;
- (b) (b) other internal or external maintenance or repair of the accommodation, but only where the payments are separately identifiable as relating to such maintenance or repair and payable by—
 - (i) a claimant who occupies accommodation under a shared ownership tenancy, or
 - (ii) a claimant in whose case any amount of housing costs element to be included in their award in respect of those payments would fall to be calculated under Schedule 5.

Payments within this category are specific to the particular accommodation occupied by a claimant but are limited to payments for the use of essential items contained in it (such as furniture or domestic appliances).

(5) The third condition is that the costs and charges to which the payments relate are of a reasonable amount and relate to services or facilities of such description as it is reasonable to provide.

(6) The fourth condition is that the payments are none of the following—
