Citation, commencement and application

- 1.—(1) These Regulations may be cited as the Planning (Listed Buildings and Conservation Areas) (Heritage Partnership Agreements) Regulations 2014 and come into force on 6th April 2014.
- (2) These Regulations apply in relation to England only.

Interpretation

- 2.—(1) In these Regulations—
- “the Act” means the Planning (Listed Buildings and Conservation Areas) Act 1990;
- “listed building heritage partnership agreement” means a heritage partnership agreement which grants listed building consent as provided for by section 26A(3) of the Act(2); and
- “local planning authority” means a relevant local planning authority as defined in section 26A(9) of the Act.
- (2) In these Regulations and in relation to the use of electronic communications for any purpose of these Regulations which is capable of being carried out electronically—
- (a) the expression “address” includes any number or address used for the purpose of such communications;

(1) 1990 c.9. Section 26B was inserted by section 60(2) of the Enterprise and Regulatory Reform Act 2013 (c.24). Subsection 6A of section 93 was inserted by section 118(1) of, and paragraph 26 of Schedule 6 to, the Planning and Compulsory Purchase Act 2004 (c. 5).

(2) Section 26A(3) of the Act provides for a heritage partnership agreement to contain provision granting listed building consent under section 8(1) of the Act in respect of specified works for the alteration or extension of the listed building to which the agreement relates, and specifying any conditions to which the consent is subject.

(b) a reference to a document or a copy of a document includes a version of that document or copy in electronic form; and

(c) “electronic communication” has the meaning given in section 15(1) of the Electronic Communications Act 2000 (general interpretation)(3).

(3) Paragraphs (4) to (6) apply where an electronic communication is used by a person for the purpose of fulfilling any requirement in these Regulations to give or send any notice or other document to any other person (“the recipient”).

(4) The requirement is not taken to be fulfilled unless the notice or document transmitted by the electronic communication is—

(a) capable of being accessed by the recipient;

(b) legible in all material respects; and

(c) sufficiently permanent to be used for subsequent reference.

(5) In paragraph (4), “legible in all material respects” means that the information contained in the notice or document is available to the recipient to no lesser extent than it would be if sent or given by means of a document in printed form.

(6) Where the electronic communication is received by the recipient outside the recipient’s business hours, it is taken to have been received on the next working day; and for this purpose “working day” means a day which is not a Saturday, Sunday, Bank Holiday or other public holiday.

(b) specify a consultation period of not less than 28 days; and

(c) take into account any representations from the Commission received during that period in considering whether to make the listed building heritage partnership agreement (with or without modifications).

(2) A listed building heritage partnership agreement must not be made by the local planning authority before the expiry of the latest period referred to in paragraph (1) and, if applicable, regulation 4(2)(b).

(3) A local planning authority must take into account any representations received during any period specified in paragraph (1) in considering whether to make the listed building heritage partnership agreement (with or without modifications).

(4) Where the notice referred to in paragraph (1)(c) is, without any fault or intention of the authority, removed, obscured or defaced before the period referred to in that paragraph has elapsed, the authority is treated as having complied with the requirements of that paragraph if they have taken reasonable steps for the protection of the notice, and, if necessary, its replacement.

EXPLANATORY NOTE

(This note is not part of the Regulations)

Section 26A of the Planning (Listed Buildings and Conservation Areas) Act 1990 (“the Act”) provides that a local planning authority may make a heritage partnership agreement with any owner of a listed building situated in England. Section 26A and associated provisions of the Act were inserted by the Enterprise and Regulatory Reform Act 2013.

These Regulations set out the procedures for heritage partnership agreements which contain provision granting listed building consent under section 8(1) of the Act in respect of specified works for the alteration or extension (but not demolition) of the listed building to which the agreement relates. In particular, the Regulations require a local planning authority to publicise its intention to make a heritage partnership agreement granting listed building consent and consult English Heritage in certain circumstances.

Regulation 7 applies (with some modifications) specified sections of the Act to make listed building heritage partnership agreements work more effectively. This includes applying section 26 of the Act which provides for the Secretary of State to revoke listed building consent and section 28 of the Act which makes provision for compensation where listed building consent is revoked or modified.

An impact assessment has not been prepared for this instrument, as impacts were considered as part of the impact assessment for the Enterprise and Regulatory Reform Act 2013. This can be found at <http://www.legislation.gov.uk/ukpga/2013/24/impacts/2013/1065>.
