SCHEDULE 2

REQUIREMENTS

Construction traffic management

11.—(1) No part of any numbered work in Schedule 1 (authorised development) is to commence until the locations and details of the access points, routing and temporary signing for traffic associated with the construction of that numbered work from the public highway have been submitted to and, following consultation with the relevant district authorities and Breckland District Council, approved in writing by the relevant planning authority.

(2) The temporary signing must be provided in accordance with the details approved under sub-paragraph (1).

(3) All construction traffic must access the authorised development using routes and access points approved under sub-paragraph (1) at all times.
