health requirements at temporary or mobile construction sites (which is implemented by means of regulations 1 to 36), is implemented in other Member States.

(3) The report must in particular—

- (a) set out the objectives intended to be achieved by the regulatory system established by those regulations;
- (b) assess the extent to which those objectives are achieved; and
- (c) assess whether those objectives remain appropriate and, if so, the extent to which they could be achieved with a system that imposes less regulation.

(4) The first report under this regulation must be published before the end of the period of five years beginning with the day on which these Regulations come into force.

(5) Reports under this regulation are afterwards to be published at intervals not exceeding five years.
