Calculation of each loan payment

10. Subject to any deduction under regulation 14 [^{F24}or 14A], each loan payment shall be the aggregate of the amounts resulting from regulations 11 and 12.

F24 Words in reg. 10 inserted (6.4.2018) by The Loans for Mortgage Interest and Social Fund Maternity Grant (Amendment) Regulations 2018 (S.I. 2018/307), regs. 1(2), **2(6)**

Calculation in respect of qualifying loans

11.—(1) Subject to paragraphs (3) and (4), the amount to be included in each loan payment for owner-occupier payments which are payments of interest on qualifying loans is determined as follows.

Step 1

Determine the amount of capital for the time being owing in connection with each qualifying loan to which the owner-occupier payments relate.

Step 2

If there is more than one qualifying loan, add together the amounts determined in step 1.

Step 3

Determine the identified amount which is the lower of—

- (a) (a) the amount resulting from step 1 or 2; and
- (b) (b) the capital limit specified in paragraph (2)(a) or (b).

If both amounts in (a) and (b) are the same, that is the identified amount.

Step 4

In respect of a legacy benefit claimant or SPC claimant, apply the following formula to achieve a weekly sum—

$$\frac{A \times SR}{52} - I$$

In respect of a UC claimant, apply the following formula to achieve a monthly sum —

$$\frac{A \times SR}{12} - I$$

In either case—

“A” is the identified amount in step 3,

“SR” is the standard rate that applies at the end of the calculation (see regulation 13), and

“I” is the amount of any income, in the case of a legacy benefit or SPC claimant, or unearned income, in the case of a UC claimant, above the claimant’s applicable amount.

The result is the amount to be included in each loan payment for owner-occupier payments which are payments of interest on qualifying loans.

(2) The capital limit is—

- (a) £200,000—

- (i) in the case of a legacy benefit claimant or SPC claimant where the Modified Rules apply;
 - (ii) in the case of a UC claimant;
- (b) £100,000 in all other cases.
- (3) In the application of paragraph (2) to a qualifying loan (or any part of a qualifying loan) which was taken out for the purpose of making necessary adaptations to the accommodation to meet the needs of a disabled person—
- (a) the qualifying loan (or the part of the qualifying loan) is to be disregarded for the purposes of steps 2 and 3; and
 - (b) “A” in step 4 is to be read as the amount resulting from step 1 in respect of the qualifying loan (or the sum of those amounts if there is more than one qualifying loan taken out for the purpose of making such adaptations) plus the amount (if any) resulting from step 3 in relation to any other qualifying loan or loans.
- (4) Subject to paragraph (5), any variation in the amount of capital for the time being owing in connection with a qualifying loan is not to be taken into account after the relevant date until such time as the Secretary of State recalculates the amount which shall occur—
- (a) on the first anniversary of the relevant date; and
 - (b) in respect of any variation after the first anniversary, on the next anniversary which follows the date of the variation.
- (5) In respect of an existing claimant, the Secretary of State shall recalculate the amount of capital owing in connection with a qualifying loan on the anniversary of the date on which the claimant’s qualifying benefit first included an amount for owner-occupier payments.

Calculation in respect of alternative finance payments

12.—(1) The amount to be included in each loan payment for owner-occupier payments which are alternative finance payments is determined as follows.

Step 1

Determine the purchase price of the accommodation to which the alternative finance payments relate.

Step 2

Determine the identified amount which is the lower of—

- (a) (a) the amount resulting from step 1; and
- (b) (b) the capital limit specified in paragraph (2)(a) or (b).

If both amounts are the same, that is the identified amount.

Step 3

In respect of an SPC claimant, apply the following formula to achieve a weekly sum—

$$\frac{A \times SR}{52} - I$$

In respect of a UC claimant, apply the following formula to achieve a monthly sum—

$$\frac{A \times SR}{12} - I$$

In either case—

“A” is the identified amount in step 2,

“SR” is the standard rate that applies at the date of the calculation (see regulation 13), and

“I” is the amount of any income, in the case of an SPC claimant, or unearned income, in the case of a UC claimant, above the claimant’s applicable amount.

The result is the amount to be included in each loan payment for owner-occupier payments which are alternative finance payments.

(2) The capital limit is—

- (a) £200,000 in the case of an SPC claimant where the Modified Rules apply or a UC claimant;
- (b) £100,000 in all other cases.

(3) For the purposes of paragraph (1), “purchase price” means the price paid by a party to the alternative finance arrangements other than the claimant in order to acquire the interest in the accommodation to which those arrangements relate less—

- (a) the amount of any initial payment made by the claimant in connection with the acquisition of that interest; and
- (b) the amount of any subsequent payments made by the claimant or any partner to another party to the alternative finance arrangements before—
 - (i) the relevant date; or
 - (ii) in the case of an existing claimant, the date on which the claimant’s qualifying benefit first included an amount for owner-occupier payments,

which reduce the amount owed by the claimant under the alternative finance arrangements.

(4) Subject to paragraph (5), any variation in the amount for the time being owing in connection with alternative finance arrangements is not to be taken into account after the relevant date until such time as the Secretary of State recalculates the amount which shall occur—

- (a) on the first anniversary of the relevant date; and
- (b) in respect of any variation after the first anniversary, on the next anniversary which follows the date of the variation.

(5) In respect of an existing claimant, the Secretary of State shall recalculate the amount for the time being owing [^{F25}in connection with alternative finance arrangements] on the anniversary of the date on which the claimant’s qualifying benefit first included an amount for owner-occupier payments.

13.—(1) The standard rate is the average mortgage rate published by the Bank of England which has effect on the 5th April 2018.

(2) The standard rate is to be varied each time that paragraph (3) applies.

(4) The average mortgage rate published on that reference day then becomes the new standard rate in accordance with paragraph (5).

(5) Any variation in the standard rate by virtue of paragraphs (2) to (4) shall come into effect at the end of the period of 6 weeks beginning with the day referred to in paragraph (3).

(6) At least 7 days before a variation of the standard rate comes into effect under paragraph (5), the Secretary of State must arrange for notice to be published on a publicly accessible website of—

- (a) the new standard rate; and
- (b) the day on which the new standard rate comes into effect under paragraph (5).

(7) For the purposes of this Regulation—

“average mortgage rate” means the effective interest rate (non-seasonally adjusted) of United Kingdom resident banks and building societies for loans to households secured on dwellings, published by the Bank of England in respect of the most recent period specified for that rate at the time of publication; and

“reference day” means any day falling on or after 6th April 2018.

Non-dependant deductions

14.—(1) In the case of a legacy benefit claimant or SPC claimant, a deduction from each loan payment shall be made in respect of any non-dependant in accordance with paragraph (2).

(2) The amount to be deducted is calculated as follows.

Step 1

Identify the amount which is the sum of the loan payment calculated under regulation 10 and the amount of housing costs (if any) paid to a claimant under—

- (a) (a) paragraph 17 of Schedule 3 to the IS Regulations(**57**);
- (b) (b) paragraph 16 of Schedule 2 to the JSA Regulations(**58**);
- (c) (c) paragraph 18 of Schedule 6 to the ESA Regulations; or
- (d) (d) paragraph 13 of Schedule 2 to the SPC Regulations(**59**).

Step 2

Identify the total amount of the non-dependant deductions applicable to the claimant under—

- (a) (a) paragraph 18 of Schedule 3 to the IS Regulations(**60**);
- (b) (b) paragraph 17 of Schedule 2 to the JSA Regulations(**61**);
- (c) (c) paragraph 19 of Schedule 6 to the ESA Regulations(**62**); or
- (d) (d) paragraph 14 of Schedule 2 to the SPC Regulations(**63**).

Step 3

Identify the proportion of the non-dependant deductions applicable to the loan payment and housing costs (if any) in Step 1 by applying the formula—

[^{F34}T] Transferring the loan between properties

16A.—(1) Subject to paragraph (6), where the conditions in paragraphs (2) and (3) are met, regulation 16 (repayment) applies in relation to the new property referred to in paragraph (2) instead of in relation to the relevant accommodation (“Property 1”).

(2) The first condition is that the claimant or the claimant’s partner informs the Secretary of State that it is proposed to sell Property 1, and requests that the outstanding amount be transferred from Property 1 to a new property (“Property 2”).

(3) The second condition is that prior to the completion of the sale of Property 1—

(a) the conveyancer dealing with the sale of the property has provided a written undertaking to the Secretary of State to do the following—

- (i) to discharge the charge (in England and Wales), if any, or standard security (in Scotland), if any, in favour of the Secretary of State; and

- (a) in England and Wales, where the available equity in Property 1 as referred to in regulation 16(4), or, as the case may be, the amount of the equitable interest or interests, as referred to in regulation 16(5), is or are less than the outstanding amount, the reference in those sub-paragraphs to the outstanding amount is a reference to the available equity or to the amount of the equitable interest or interests, as the case may be; and
- (b) in Scotland, where the available equity in the whole or part of Property 1 over which the standard security is held, as referred to in regulation 16(6), is less than the outstanding amount, the reference in those sub-paragraphs to the outstanding amount is a reference to the available equity.

(6) If completion in respect of Property 2 does not take place within twelve weeks beginning with the date that completion of the sale of Property 1 occurs or by such later date as the Secretary of State may agree then paragraph (1) does not apply and the outstanding amount under regulation 16, together with any future interest which accrues on that amount under regulation 15, shall be immediately due and payable.

SCHEDULE 1

Regulation 3(2)(a)

Meaning of owner-occupier payments

PART 1

Legacy benefit claimants and SPC claimants

Application of Part 1

1. This Part applies to legacy benefit claimants and SPC claimants.

Payments of interest on qualifying loans and alternative finance payments

2.—(1) “Owner-occupier payments” means—

- (a) payments of interest on a loan which qualifies under sub-paragraph (2) or (4); and
- (b) in respect of an SPC claimant only, alternative finance payments within the meaning of paragraph 5(3).

(2) A loan qualifies under this sub-paragraph where the loan was taken out to defray monies applied for any of the following purposes—

- (a) acquiring an interest in the relevant accommodation; or
- (b) paying off another loan which would have qualified under paragraph (a) had it not been paid off.

(3) For the purposes of sub-paragraph (2), references to a loan also include a reference to money borrowed under a hire purchase agreement, as defined in section 189 of the Consumer Credit Act 1974⁽⁷⁶⁾, for any purpose specified in paragraph (a) or (b) of sub-paragraph (2).

(4) A loan qualifies under this sub-paragraph if it was taken out, with or without security, for the purpose of—

- (a) carrying out repairs and improvements to the relevant accommodation;
- (b) paying any service charge imposed to meet the cost of repairs and improvements to the relevant accommodation;
- (c) paying off another loan that would have qualified under paragraphs (a) and (b) had it not been paid off,

as long as the loan is used for that purpose within 6 months beginning with the date of receipt or as soon as reasonably practicable.

(5) In sub-paragraph (4), “repairs and improvements” means any of the following measures undertaken with a view to maintaining the fitness of the relevant accommodation, or any part of the building containing the relevant accommodation, for human habitation—

- (a) provision of a fixed bath, shower, wash basin, sink or lavatory, and necessary associated plumbing, including the provision of hot water not connected to a central heating system;
- (b) repairs to existing heating systems;
- (c) damp proof measures;
- (d) provision of ventilation and natural lighting;
- (e) provision of drainage facilities;

(76) 1974 c. 39.

- (f) provision of facilities for preparing and cooking food;
- (g) provision of insulation;
- (h) provision of electric lighting and sockets;
- (i) provision of storage facilities for fuel or refuse;
- (j) repairs of unsafe structural defects;
- (k) adapting the accommodation for the special needs of a disabled person; or
- (l) provision of separate sleeping accommodation for persons of different sexes aged 10 or over but under the age of 20 who live with the claimant and for whom the claimant or the claimant's partner is responsible.

(6) Where a loan is applied only in part for the purposes specified in sub-paragraph (2) or (4), only that portion of the loan which is applied for that purpose shall qualify.

Loans incurred during relevant period

3.—(1) Subject to sub-paragraph (5), loans which, apart from this paragraph, qualify under paragraph 2(2) or (4) shall not so qualify where the loan was incurred during the relevant period.

(2) The “relevant period” for the purposes of this paragraph is any period during which the person to whom the loan was made—

- (a) is entitled to, or is treated as entitled to, a legacy benefit or state pension credit; or
- (b) is living as a member of a family one of whom is entitled to, or is treated as entitled to, a legacy benefit or state pension credit,

together with any period falling between two such periods of entitlement separated by not more than 26 weeks.

(3) For the purposes of sub-paragraph (2), a person shall be treated as entitled to either a legacy benefit or state pension credit during any period when the person, the person's partner, or, where that person is a member of a joint-claim couple, the other member of that couple was not so entitled because—

- (a) that person, the person's partner or, where that person is a member of a joint-claim couple, the other member of that couple, was participating in an employment programme specified in regulation 75(1)(a) of the JSA Regulations⁽⁷⁷⁾; and
- (b) in consequence of such participation that person, the person's partner, or, where that person is a member of a joint-claim couple, the other member of that couple, was a person engaged in remunerative work and had income equal to or in excess of the applicable amount.

(4) Where a loan which qualifies under paragraph 2(2) was incurred during the relevant period—

- (a) for paying off an earlier loan, and that earlier loan qualified under paragraph 2(2) and was incurred during the relevant period; or
- (b) to finance the purchase of a property where an earlier loan, which qualified under paragraph 2(2) or (4) and was incurred during the relevant period in respect of another property, is paid off (in whole or in part) with monies received from the sale of that property,

then the amount of the loan to which sub-paragraph (1) applies is the amount (if any) by which the new loan exceeds the earlier loan.

(5) Loans taken out during the relevant period shall qualify as loans under paragraph 2(2) or (4), where a claimant satisfies any of the conditions specified in sub-paragraphs (6), (8) and (9), but—

⁽⁷⁷⁾ Regulation 75(1)(a) was substituted by [S.I. 2012/2568](#).

- (a) where the claimant satisfies the condition in sub-paragraph (6), [^{F42}the amount of each loan payment calculated under regulation 10] shall be subject to the additional limitation imposed by sub-paragraph (7); and
 - (b) where the claimant satisfies the conditions in more than one of these sub-paragraphs, only one sub-paragraph shall apply in the claimant’s case, which shall be the one most favourable to the claimant.
- (6) The first condition is that—
- (a) during the relevant period, the claimant or a member of the claimant’s family acquires an interest (“the relevant interest”) in the relevant accommodation; and
 - (b) in the week preceding the week in which the relevant interest was acquired, the claimant or a member of the claimant’s family was entitled to housing benefit.
- (7) Where the condition in sub-paragraph (6) is satisfied, the amount of the loans which qualify shall initially not exceed the aggregate of—
- (a) the housing benefit entitlement referred to in sub-paragraph (6)(b); and
 - (b) any amount included in the applicable amount of the claimant or a member of the claimant’s family [^{F43}relating to housing costs] in that week,
- and shall be increased subsequently only to the extent that it is necessary to take account of any increase in the standard rate under regulation 13 arising after the date of acquisition.
- (8) The second condition is that the loan was taken out, or an existing loan increased, to acquire alternative accommodation more suited to the needs of a disabled person than the relevant accommodation which was occupied before the acquisition by the claimant.
- (9) The third condition is that—
- (a) the loan commitment increased in consequence of the disposal of the relevant accommodation and the acquisition of alternative accommodation; and
 - (b) the change of accommodation was made solely by reason of the need to provide separate sleeping accommodation for persons of different sexes aged 10 or over but under the age of 20 who live with the claimant and for whom the claimant or the claimant’s partner is responsible.

5. Where the claimant—

- (a) has been required to move into temporary accommodation by reason of essential repairs being carried out to the accommodation which the claimant occupies as the claimant’s home (“the home accommodation”); and

UC claimants

Application of Part 3

11. This Part applies to UC claimants.

Occupying accommodation: general rule

12.—(1) Subject to the following paragraphs of this Part, the accommodation which the claimant occupies as the claimant's home is the accommodation which the claimant normally occupies the home.

(2) Where the claimant occupies more than one dwelling, in determining whether accommodation is the accommodation normally occupied as the home for the purposes of sub-paragraph (1), regard is to be had to all the circumstances including (among other things) any persons with whom the claimant occupies each dwelling.

(3) Where accommodation which a claimant occupies as the claimant's home is situated on or pertains to a croft, croft land used for the purposes of the accommodation is to be treated as included in the accommodation.

Living in other accommodation due to essential repairs

13.—(1) Where a claimant—

- (a) is required to move into accommodation ("the other accommodation") on account of essential repairs being carried out to the accommodation the claimant occupies as the claimant's home ("the home accommodation");

- (c) is liable to make owner-occupier payments in respect of either the other accommodation or the home accommodation (but not both),

the claimant is to be treated as occupying as the claimant's home the accommodation in respect of which the owner-occupier payments are made.

Moving homes: adaptations to new home for disabled person

(2) The claimant is to be treated as occupying both the new accommodation and the accommodation from which the move was made (“the old accommodation”) if—

- (a) a claimant is occupying accommodation (“the other accommodation”) other than the accommodation which the claimant occupies as the claimant’s home (“the home accommodation”);

- (c) the claimant intends to return to the home accommodation.

(2) The claimant is to be treated as occupying both the home accommodation and the other accommodation as the claimant’s home if—

(3) Where the claimant is liable to make [^{F46}owner-occupier] payments in respect of one accommodation only, the claimant is to be treated as occupying that accommodation as the claimant’s home but only if it is reasonable to make loan payments in respect of that accommodation.

(2) In Schedule 3 (decisions against which no appeal lies), in paragraph 1 omit sub-paragraph (o).]

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision for the Secretary of State to make loan payments to claimants of income-related employment and support allowance, income support, income-based jobseeker's allowance, state pension credit or universal credit (referred to as "qualifying benefits") or, if applicable, direct to the claimant's mortgage lender, in respect of the claimant's liability to make owner-occupier payments (principally mortgage interest) on the claimant's home.

The powers to make such provision are contained in sections 18 to 21 of the Welfare Reform and Work Act 2016 (c. 7) (the "2016 Act"). The Regulations also make consequential changes to the regulations providing for the qualifying benefits so that support with owner-occupier payments is no longer payable as part of the benefit award.

Regulation 1 provides for the citation and commencement of these Regulations. The Regulations come into force on 27th July 2017, with the exception of regulations 18 to 21 which come into force on 6th April 2018.

Regulation 2 sets out the definitions which are used in these Regulations.

Regulation 3 provides that the Secretary of State may offer loan payments to a claimant in respect of any liability the claimant has, or is treated as having, to make owner-occupier payments in respect of the accommodation the claimant is, or is treated as, occupying as the claimant's home. The meaning of "owner-occupier payments", the circumstances in which a claimant is, or is to be treated as, liable to make owner-occupier payments and the circumstances in which a claimant is, or is to be treated as, occupying accommodation as the claimant's home (referred to as the "relevant accommodation") are set out in Schedules 1 to 3 to the Regulations.

Regulation 3(4) provides that a claimant of universal credit will not be eligible for the offer of loan payments if any member of the benefit unit (comprised of the claimant and his or her partner, if any) has any earned income.

Regulation 4 provides that the offer of loan payments is accepted where the Secretary of State has received the loan agreement signed by, in the case of a single claimant, the claimant and the claimant's partner (if any), or joint claimants, and the relevant documents referred to in regulation 5(2).

Under regulation 5, the Secretary of State shall only make the loan payments if the offer is accepted and certain conditions are met. The conditions are that—

- (a) in England and Wales, where the legal owners of the relevant accommodation are all in the benefit unit, each legal owner has executed a charge by way of legal mortgage. However, where any legal owners are not in the benefit unit, any legal owners who are in the benefit unit must execute an equitable charge in respect of his or her beneficial interest in the accommodation;
- (b) in Scotland, each legal owner within the benefit unit has executed a standard security in respect of his or her interest in the relevant accommodation;
- (c) the Secretary of State has obtained written consent from any person in the benefit unit who is not a legal owner to the creation of a charge;
- (d) the Secretary of State has provided certain information about the loan payments, which is set out in regulation 6, to the claimant and the claimant's partner (if any).

Regulation 7 sets out the intervals at which the loan payments will be made to the claimant or, if relevant, direct to the claimant's mortgage lender.

Regulation 8 provides for the day from which loan payments will be made, which will not be before 6th April 2018.

Under regulation 9(1), loan payments will continue to be made at intervals indefinitely. However, if one of the circumstances in regulation 9(3) occurs (which includes where the claimant ceases to be entitled to a qualifying benefit), the loan payments will stop.

Regulation 9(4) provides that where a claimant ceases to be entitled to income support, an income-based jobseeker's allowance or an income-related employment and support allowance because, in the case of a single claimant, the claimant or the claimant's partner, or either joint claimant, starts remunerative work, the loan payments will be paid to the claimant for a period of 4 weeks if the conditions in paragraph (5) are met.

Regulation 10 provides that the amount of each loan payment will be the sum of the amounts calculated under regulations 11 and 12. Regulation 11 provides for the calculation of an amount to be included in each loan payment in respect of qualifying loans. Regulation 12 provides for the calculation of an amount to be included in respect of alternative finance arrangements (this is applicable to universal credit and state pension credit claimants only).

Regulation 13 sets out how the standard rate, which is used to determine the amount of each loan payment, is determined. Regulation 14 applies a non-dependant deduction to the loan payment calculated under regulation 10, save in the case of a universal credit claimant.

Regulation 15 makes provision as to the payment of interest on the sum of the loan payments made.

Regulation 16 provides the circumstances and manner in which a claimant must repay the sum of the loan payments and accrued interest. Under regulation 16(8) and (9) a claimant may repay the outstanding amount voluntarily.

Under regulation 17, each loan payment must be made direct to a claimant's lender where the conditions in paragraph (2) are met (including that the lender satisfies the definition of "qualifying lender" in the 2016 Act); otherwise the loan payments must be made to the claimant.

Regulation 18 provides that the amendments in Schedule 5 have effect.

Regulation 19 contains transitional provisions for the situation where an existing claimant is entitled to a qualifying benefit, including an amount for owner-occupier payments, on 5th April 2018. In this case, the amendments made by Schedule 5 are treated as if they were not in force for a temporary period, enabling support with owner-occupier payments to continue to be paid as part of a claimant's qualifying benefit during this time.

Regulation 20 provides that where the Secretary of State determines that an existing claimant lacks capacity to make decisions about entering into a loan agreement, the amendments made by Schedule 5 are treated as if they were not in force until a relevant person has made a decision (for example, a decision to appoint a deputy with power to act on the claimant's behalf in respect of entering into a loan agreement), enabling support with owner-occupier payments to continue to be paid as part of a claimant's qualifying benefit during this time.

Regulation 21 provides that where a claimant or the claimant's former partner was entitled to a legacy benefit within one month before a claim for universal credit is made, and the claimant or the former partner was entitled to an amount in respect of housing costs as part of that benefit award or to loan payments, the claimant will be entitled to loan payments in conjunction with the award of universal credit without having to serve the qualifying period. Where the previous award did not include an amount for housing costs because the qualifying period was in the course of being served, the regulation provides for a modified qualifying period in relation to the universal credit award.

Regulation 22 enables any function of the Secretary of State under these Regulations to be delegated to a person authorised by the Secretary of State for that purpose.
