13.—(1) In determining budget shares for primary and secondary schools, except in respect of nursery classes, a local authority must ascertain and take into account in its formula the number of pupils who were at those schools in accordance with paragraph (2) on the date specified in paragraph (3).

(2) For the purposes of paragraph (1), the number of pupils is $A - B$ where—

- (a) A is the total number of pupils in the school; and
- (b) B is the number of pupils in the school in respect of whom sixth form grant is payable.

(3) The date for ascertaining pupil numbers is 5th October 2017.

(4) Where—

- (a) there is or may be an increase to the published admission number at the school; or
- (b) the school is subject to a prescribed alteration that may lead to an increase in the number of pupils at the school,

the authority may, instead of ascertaining pupil numbers on 5th October 2017, include an estimate of pupil numbers.

(5) Where a primary school had more pupils in reception classes on 19th January 2017 than on 6th October 2016, the local authority may take the number of additional pupils into account in its formula, and where it does so this factor must be applied to all primary schools in the area.

(6) A local authority must include in its formula a single per pupil amount of at least—

- (a) £2,000 for each of the pupils in reception classes and at key stages 1 and 2;
- (b) £3,000 for each of the pupils at key stage 3; and
- (c) £3,000 for each of the pupils at key stage 4.

(7) In this regulation, “published admission number” means the number of pupils in any relevant age group at the school determined by the admission authority under sections 88C and 88D of the 1998 Act^{M1}.

- (2) In determining budget shares for primary or secondary schools maintained by the local authority, with places which the authority has reserved for children with special educational needs, a local authority must—
- (a) in the case of a place that was taken by a pupil on 5th October 2017, include £6,000 per place, and
 - (b) in all other cases except hospital education places, include £10,000 per place.
- (3) In determining budget shares for pupil referral units, a local authority must include £10,000 for each place other than hospital education places.
- (4) Paragraph (3) applies to places to be commissioned by schools or directly by a local authority.
- (5) For each hospital education place referred to in paragraphs (1) to (3) the local authority must include at least the equivalent amount per hospital education place which the authority included in the budget share of the school or pupil referral unit, as the case may be, in the previous funding period.
- (6) In determining budget shares under this regulation, a local authority must ensure that it funds places which may be taken by children who are not ordinarily resident in their area.

Social deprivation

- 15.**—(1) In determining budget shares for schools maintained by it (other than special schools, pupil referral units and nursery schools), a local authority must take into account in its formula one or more factors based on the incidence of social deprivation in pupils at the schools maintained by it.
- (2) The authority must base the incidence of social deprivation referred to in paragraph (1) on any or all of the following—
- (a) a pupil's eligibility for free school meals on 5th October 2017;
 - (b) a pupil's eligibility for free school meals recorded in any school census between and including Summer 2011 and Spring 2017; and

(3) In determining budget shares under paragraph (1), the authority may take into account in its formula a single per pupil amount for each socially deprived pupil in reception classes and at key stage 1 and 2, and a single per pupil amount for each socially deprived pupil at key stage 3 and 4.

(4) In paragraph (3) a reference to a “socially deprived pupil” is to a pupil who has been determined as being such using the criteria in paragraph (2).

- (d) amounts to be allocated in respect of community early years provision in schools maintained by it,

a local authority must take into account in its formula one or more factors based on the incidence of social deprivation in pupils or children, and the determination of the incidence of social deprivation must be based on the characteristics of the pupils or children and not on the location of the school or provider.

(6) In respect of two year olds, in determining—

- (a) budget shares for maintained nursery schools;
- (b) amounts to be allocated in respect of nursery classes in schools maintained by it;
- (c) amounts to be allocated to relevant early years providers in its area; and
- (d) amounts to be allocated in respect of community early years provision in schools maintained by it,
