EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are the second commencement regulations made under the Elections Act 2022 (c. 37) (“the Act”), and bring into force certain paragraphs of Schedule 1 (voter identification), Schedule 2 (power to make regulations about registration, absent voting and other matters) and Schedule 6 (local elections in Northern Ireland and elections to the Northern Ireland Assembly) to the Act.

Paragraph 2 of Schedule 1 inserts new sections 13BD and 13BE into the Representation of the People Act 1983 (c. 2) (“RPA 1983”), which provide that electors registered in Great Britain can apply for an electoral identity document or anonymous elector’s document for use at UK parliamentary and other elections. New sections 13BD(3), (4) and (8) to (10) and 13BE(3), (4), (8) to (10) and (12) confer powers on the Secretary of State to make provision about applications for these documents, including the form and content and timing of the application, and the form of each document.

Paragraph 3 of Schedule 1 amends section 13C of RPA 1983 (electoral identity card: Northern Ireland). New section 13C(3A) confers powers on the Secretary of State to make provision about the issuing or collecting of electoral identity cards. New section 13C(4A) confers powers on the Secretary of State to make provision about the information to be included in, and the form of, an electoral identity card.

Paragraph 5 of Schedule 1 amends section 56 of RPA 1983 (registration appeals: England and Wales) to allow regulations to prescribe provision relating to an appeal against a decision of a registration officer not to issue an electoral identity document or anonymous elector’s document. Paragraph 6 of Schedule 1 to the Act makes an equivalent amendment to section 58 of RPA 1983 (registration appeals: Northern Ireland).

Paragraphs 11, 15, 17, 24, 30 and 32 of Schedule 1 amend the Parliamentary election rules in Schedule 1 to RPA 1983. Paragraph 11 inserts new rule 19B, which requires the Chief Electoral Officer for Northern Ireland to prepare for each polling station a list of the dates of birth of each elector and proxy allotted to that polling station. New rule 19B(6) confers power on the Secretary of State to make regulations regarding the inspection or supply of such lists.

Paragraph 15(1) and (3) amends rule 29 (equipment of polling stations). New rule 29(3ZA) confers powers on the Secretary of State to prescribe the form of the ballot paper refusal list.

Paragraph 17(1) and (8) amends the list of specified documents in rule 37(1E) of the Parliamentary election rules so far as that rule applies to elections held in Northern Ireland.

Paragraph 24 inserts new rule 40B (collection and disclosure of information relating to applications made under rules 37 to 40). New rule 40B(2) confers powers on the Secretary of State to prescribe the information to be collected at parliamentary elections held in Great Britain to which rule 40B applies (in accordance with regulations made under rule 40B(1)).

Paragraph 30 inserts new rule 56A (inspection of ballot paper refusal list: Great Britain), which confers powers on the Secretary of State to make provision about the circumstances in which completed ballot paper refusal lists can be inspected (with or without conditions), and about the disclosure of information contained in such lists. Paragraph 32 amends rule 58, the effect of which is to apply rule 56A with modifications in relation to parliamentary elections held in Scotland.

Paragraph 1 of Schedule 2 to the Act (power to make regulations about registration, absent voting and other matters) amends section 53 of RPA 1983 (power to make regulations as to registration etc.) to allow provision to be made in regulations regarding identity document applications. Paragraphs

Paragraph 30(2) and (4) of Schedule 6 to the Act applies, with modifications, section 53 of, and Schedule 2 to, RPA 1983 as amended by paragraphs 1 to 11 Schedule 2 to the Act in respect of local elections in Northern Ireland.
