REQUIREMENTS

PART 1

REQUIREMENTS

Drainage

10.—(1) No part of the authorised development is to commence until written details of the drainage system to be constructed for that part, based on the mitigation measures included in the environmental statement and including a timetable for implementation and means of pollution control and for the management of flood risk, have been submitted to and approved in writing by the Secretary of State, following consultation with the planning authority on matters related to its functions, and the Environment Agency.

(2) The drainage system must be constructed in accordance with the approved details referred to in sub-paragraph (1) prior to that part of the authorised development becoming open for public use.
