 - (iii) if earlier than the time which applies under sub-paragraph (i) or (ii), immediately after a deferred choice decision is made.
 - (3) A deferred choice decision made by a person other than M is irrevocable.

Deferred choice election: deemed section 10 election

15. Where—
- (a) the end of the section 10 election period in relation to M has passed, and

- (b) secured in the reformed scheme.

(3) In this paragraph—

- (b) was, immediately before 1st April 2022, not a full protection member of the AFPS 1975 within the meaning of Part 2 of Schedule 3 to this instrument.

Chapter 2

Remedial arrangements to pay voluntary contributions to the legacy scheme

Remedial arrangements: purchase of additional reckonable service

35.—(1) M may enter into a remedial voluntary contributions arrangement to pay contributions for additional reckonable service in accordance with rule C.1 (purchase of additional reckonable service by periodic contributions) of Schedule 1 to this instrument.

(2) M may only enter into such an arrangement—

- (a) if the Scheme manager is satisfied that it is more likely than not that, but for a relevant breach of a non-discrimination rule, M would, during the period of M’s remediable service, have entered into the same or a similar arrangement,
- (b) before—
 - (i) the end of the period of one year beginning with the day on which a remediable service statement is first provided to M, or
 - (ii) such later time as the Scheme manager considers reasonable in all the circumstances, and

- (c) after an application made in accordance with paragraph 37 is approved by the Scheme manager.

Remedial arrangements: enhanced benefits

36.—(1) M may enter into a remedial voluntary contributions arrangement to pay contributions for additional benefits in accordance with rules C.4 (purchase of right to have benefits calculated on enhanced basis) or C.6 (purchase of increased pension for surviving spouse or civil partner) of Schedule 1 to this instrument.

(2) M may only enter into such arrangements—

- (a) in respect of a period of M’s remediable service,
- (b) if the Scheme manager is satisfied that it is more likely than not that, but for a relevant breach of a non-discrimination rule, M would, during the period of M’s remediable service, have entered into the same or a similar arrangement,
- (c) before—
 - (i) the end of the period of one year beginning with the day on which a remediable service statement is first provided to M, or
 - (ii) such later time as the Scheme manager considers reasonable in all the circumstances, and
- (d) after an application made in accordance with paragraph 37 is approved by the Scheme manager.

Remedial arrangements: general

37.—(1) An application is made in accordance with this paragraph where—

- (a) it is in writing in a form and manner determined by the Scheme manager,
- (b) it is accompanied by any information the Scheme manager reasonably requires to be provided for the purposes of—
 - (i) determining the matters mentioned in paragraph 35(2)(a) or 36(2)(b);
 - (ii) complying with any requirements of the relevant rules in Part C of Schedule 1 to this instrument, and
- (c) it is received by the Scheme manager—
 - (i) before the end of the period of twelve months beginning with the day on which a remediable service statement is first provided to M, or
 - (ii) such later time as the Scheme manager considers reasonable in all the circumstances.

(2) The Scheme manager may treat an approved application made in accordance with subparagraph (1) as if it were a notice under rule C.11 of Schedule 1 to this instrument.

(3) Where M enters into a remedial voluntary contributions arrangement, M owes to the Scheme manager an amount equal to—

- (a) the aggregate of the voluntary contributions which M would have owed had M entered into the remedial voluntary contributions arrangement at the time M would have entered into the same or a similar arrangement but for a relevant breach of a non-discrimination rule, less
- (b) tax relief amounts calculated in accordance with direction 12(2) to (7) of the PSP Directions 2022.

(4) Where a determination is made in accordance with direction 12(6) of the PSP Directions 2022, the following apply—

- (a) direction 12(8) (provision of explanation);
- (b) direction 12(9) and (10) (appeals).

(5) A remedial voluntary contributions arrangement entered into under this Chapter does not breach the rule on maximum contributions in rule C.10 of Schedule 1 where the remedial voluntary contributions due under that arrangement in respect of any tax year would not have breached that rule had the remedial voluntary contributions been paid in that tax year.

Chapter 3

Secondment/Loan

Purchase of additional reckonable service in respect of period on loan

38.—(1) This paragraph applies where, in relation to a remedy member’s (“M”) remediable service, both an option under rule C.3 (purchase of additional reckonable service in respect of a period on loan) of Schedule 1 to this instrument and an option to preserve an entitlement to earned pension under regulation 97 of the AFP Regulations 2014 (members seconded to NATO or the UN etc) were exercised, and—

- (a) both options were exercised on or before 30th September 2023,
- (b) the lump sum payable under rule C.3 has been paid to the Scheme, and
- (c) any contribution under rule C.3(5), calculated as at the date the option was exercised, is paid.

(2) Any entitlement to earned pension benefits in relation to M’s remediable service preserved by the exercise of the option under regulation 97 of the AFP Regulations 2014 is extinguished, and that period of remediable service is treated as additional reckonable service under rule C.3 of Schedule 1.

(3) No liability for an additional contribution from the member or the Service or body funding the arrangement with the other organisation arises as a result of the coming into force of section 2(1) of PSPJOA 2022.

(4) Additional reckonable service under rule C.3, whether or not by virtue of this Schedule, is treated as remediable service within the meaning of section 1 of PSPJOA 2022, (and Chapter 1 of Part 1 of that Act, together with this Schedule, apply accordingly).

- (a) the provisions of the pension scheme which apply to the calculation of values of that type, and
- (b) the guidance and tables provided or the purpose of calculating such values that were, or are, in use on the date used for the original calculation.

(3) For the purposes of this Part, any rule or condition in Part F of Schedule 1 or the public sector transfer arrangements relating to the time within which a transfer value payment must be made or accepted that would otherwise prevent any payments being made or accepted under this Part, is treated as complied with or met.

Transferred out remediable service statements

40. Where a remedy member has transferred any rights in respect of remediable service out of this Scheme, the Scheme manager must provide a transferred out remediable service statement in accordance with direction 6(2) to (4) of the PSP Directions 2022 (and direction 6(4) applies as if the reference to “any provision made by virtue of section 29(1) of PSPJOA 2022” were a reference to paragraph 4).

(b) would not be a payment so described, the remediable amount is to be reduced by an amount equal to the income tax that would be charged on the amount if it were taxed as pension income under Part 9 of the Income Tax (Earnings and Pensions) Act 2003⁽²⁸⁾.

(3) For the purposes of this paragraph, an amount owed by P under the rules of a relevant injury and compensation scheme is treated as a relevant amount owed by P to this Scheme, where P’s liability arose by virtue of the operation of the provisions of Chapter 1 of Part 1 of PSPJOA 2022.

Chapter 2

Immediate choice decision for reformed scheme or legacy scheme benefits

Application of Chapter 2

8. This Chapter applies in respect of the remediable service of an immediate choice member (“M”) who has not already made an immediate choice decision or a deferred choice decision under the Schedule to the EDP 2005 Order in relation to that service.

Immediate choice decision for reformed scheme or legacy scheme benefits: general

9.—(1) A decision (an “immediate choice decision”) may be made in accordance with this Chapter—

- (a) to make an election (a “section 6 election”) by virtue of section 6 of PSPJOA 2022 in relation to M’s remediable service, or
 - (b) that no section 6 election is to be made in relation to that service.
- (2) An immediate choice decision may be made—
- (a) by M, or
 - (b) where M is deceased, by the eligible decision-maker specified in Part 10.
- (3) An immediate choice decision made by—
- (a) a person other than the Scheme manager is made when it is received by the Scheme manager in a form and manner determined by the Scheme manager;
 - (b) the Scheme manager is made at the time determined by the Scheme manager.
- (4) An immediate choice decision may only be made before the end of the section 6 election period⁽³⁵⁾.
- (5) An immediate choice decision is irrevocable.
- (6) An immediate choice decision to make a section 6 election takes effect as a section 6 election (see sections 6(5) and (7), 7(1)(b) and 9 of PSPJOA 2022 about the effect of a section 6 election).
- (7) Where—
- (a) immediately before 1st October 2023, M has remediable service in the reformed scheme (“reformed scheme service”), and
 - (b) an immediate choice decision is made that no section 6 election is to be made in relation to M’s remediable service,
- section 6(4) of PSPJOA 2022 does not apply in relation to M’s reformed scheme service (and, accordingly, section 2(1) of PSPJOA 2022 has effect in relation to M’s reformed scheme service for the purposes mentioned in section 2(3)(b) of that Act from the time the immediate choice decision is made).
- (8) The following provisions of PSPJOA 2022 have effect in relation to a decision that no section 6 election is to be made as they have effect in relation to a section 6 election—
- (a) section 6(7) (section 6 election has effect in respect of all remediable service in the employment or office);
 - (b) section 7(1)(b) (provision about when a section 6 election is to be treated as having taken effect);

(35) See section 7(2) of PSPJOA 2022 for the meaning of “the end of the section 6 election period”.

- (c) section 9 (provision about persons with remediable service in more than one Chapter 1 legacy scheme).

Immediate choice decision: additional requirements

10.—(1) This paragraph applies where the immediate choice decision-maker (“D”) is a person other than the Scheme manager.

(2) An immediate choice decision may not be made unless a remediable service statement has been provided to D in accordance with paragraph 5(2)(a), or, where paragraph (3) applies, in accordance with paragraph 5(3).

(3) Where—

- (a) a remediable service statement has been provided to M in accordance with paragraph 5(2)(a), and
- (b) M dies before making an immediate choice decision under paragraph 9,

the section 6 election period is treated as though it had never begun in relation to M.

(4) An immediate choice decision is to be treated as having been made only if D provides the information specified in any written request from the Scheme manager that is—

- (a) information in D’s possession, or
- (b) information which D can reasonably be expected to obtain.

Immediate choice decision: deemed election

11. Where—

- (a) the end of the section 6 election period in relation to M has passed, and
- (b) no immediate choice decision has been made,

the Scheme manager may, if it seems reasonable in all the circumstances of the case, treat an immediate choice election as having been made in relation to M’s remediable service immediately before the end of the section 6 election period.

Chapter 3

Deferred choice decision for reformed scheme or legacy scheme benefits

Application of Chapter 3

12. This Chapter applies in respect of the remediable service of a deferred choice member (“M”) who has not already made—

- (6) Where the deferred choice decision is that no section 10 election is to be made, the benefits payable to or in respect of M, so far as they are determined by reference to M's remediable service, are legacy scheme benefits.
- (7) The following provisions of PSPJOA 2022 have effect in relation to a decision that no section 10 election is to be made as they have effect in relation to a section 10 election—

 - (ii) subject to sub-paragraph (4), at the end of such other day as the Scheme manager considers reasonable in all the circumstances.
 - (3) The end of the period during which a deferred choice decision may be made must not be more than one year before the day on which it is reasonably expected that legacy scheme benefits would become payable to or in respect of M.
 - (4) A deferred choice decision made by M may be revoked—
 - (a) at any time before the cancellation deadline, and
 - (b) by M communicating to the Scheme manager notice of the revocation in a form and manner determined by the Scheme manager.
 - (5) Where the Scheme manager receives, before the cancellation deadline, notice that M has died—
 - (a) any deferred choice decision made by M lapses, and
 - (b) any period that has begun (whether or not it has also ended) in accordance with sub-paragraph (2) is to be treated as if it had never begun (or ended).

- (6) In sub-paragraphs (4) and (5), “the cancellation deadline” means—
- (a) the beginning of the day one calendar month before the day (“the payment day”) on which the first payment under the Scheme is due to be made in relation to M’s remediable service, or

 - (ii) except where the Scheme manager is the deferred choice decision-maker, at such later time as the Scheme manager considers reasonable in all the circumstances, or
 - (iii) immediately after a deferred choice decision is made, if earlier than the time which applies under sub-paragraph (i) or (ii).
- (3) A deferred choice decision made by a person other than M is irrevocable.

Deferred choice election: deemed section 10 election

16. Where—

- (a) the end of the section 10 election period in relation to M has passed, and
- (b) no deferred choice decision has been made,

the Scheme manager may, if it seems reasonable in all the circumstances of the case, treat a section 10 election as having been made in relation to M’s remediable service immediately before the end of the section 10 election period.

Deferred choice decision: additional requirements

17. Where the deferred choice decision-maker (“D”) is a person other than the Scheme manager, a deferred choice decision is to be treated as having been made only if D provides the information specified in any written request from the Scheme manager that is—

- (a) information in D’s possession, or
- (b) information which D can reasonably be expected to obtain.

Chapter 1

General

Application of this Part

37. This Part applies to a remedy member (“M”) who—

- (a) is not a deceased member, and
- (b) was, immediately before 1st April 2022, not a full protection member of the AFPS 2005 within the meaning of Part 2 of Schedule 2.

Chapter 2

Remedial arrangements to pay voluntary contributions to the legacy scheme

Remedial arrangements: additional reckonable service

38.—(1) M may enter into a remedial voluntary contributions arrangement to pay contributions for additional reckonable service in accordance with rule C.1 (member’s option to pay contributions to increase service) of Schedule 1.

(2) M may only enter into such an arrangement—

- (a) if the Scheme manager is satisfied that it is more likely than not that, but for a relevant breach of a non-discrimination rule, M would, during the period of M’s remediable service, have entered into the same or a similar arrangement,
- (b) before—
 - (i) the end of the period of one year beginning with the day on which a remediable service statement is first provided to M, or
 - (ii) such later time as the Scheme manager considers reasonable in all the circumstances, and
- (c) after an application made in accordance with paragraph 39 is approved by the Scheme manager.

(3) Additional reckonable service purchased under rule C.1 (whether or not by virtue of this paragraph) is not remediable service under section 1 of PSPJOA 2022.

Remedial arrangements: general

39.—(1) An application is made in accordance with this paragraph where—

- (a) it is in writing in a form and manner determined by the Scheme manager,
- (b) it is accompanied by any information the Scheme manager reasonably requires to be provided for the purposes of—
 - (i) determining the matters mentioned in paragraph 38(2)(a);
 - (ii) complying with any requirements of the relevant rules in Part C of Schedule 1, and
- (c) it is received by the Scheme manager—

 - (ii) such later time as the Scheme manager considers reasonable in all the circumstances.

(2) The Scheme manager may treat an approved application made in accordance with subparagraph (1) as if it were a notice under rule C.1(2) of Schedule 1.

(3) Where M enters into a remedial voluntary contributions arrangement, M owes to the Scheme manager an amount equal to—

(a) the aggregate of the voluntary contributions which M would have owed had M entered into the remedial voluntary contributions arrangement at the time M would have entered into the same or a similar arrangement but for a relevant breach of a non-discrimination rule, less

(b) tax relief amounts calculated in accordance with direction 12(2) to (7) of the PSP Directions 2022.

(4) Where a determination is made in accordance with direction 12(6) of the PSP Directions 2022, the following apply—

(b) direction 12(9) and (10) (appeals).

Chapter 3

Secondment/Loan

Purchase of additional reckonable service in respect of period on loan

40.—(1) This paragraph applies where M has exercised both an option under rule C.6 (purchase of added years for members seconded to NATO or the UN etc) of Schedule 1 to this instrument and an option to preserve an entitlement to earned pension under regulation 97 of the AFP Regulations 2014 (members seconded to NATO or the UN etc) and—

(b) the lump sum payable under C.6 is paid by M to the Scheme, and

(c) any contribution under rule C6(4), calculated as at the date the option was exercised, is paid.

(2) Any entitlement to earned pension benefits in relation to M's remediable service preserved by the exercise of the option under regulation 97 of the AFP Regulations 2014 is extinguished, and that period of remediable service is treated as additional reckonable service under rule C.6 of Schedule 1.

(3) No liability for an additional contribution from the member or the Secretary of State arises as a result of the coming into force of section 2(1) of the 2022 Act.

(4) Additional reckonable service under rule C.6 (whether or not by virtue of this Schedule) is treated as remediable service within the meaning of section 1 of PSPJOA 2022 (and Chapter 1 of Part 1 of that Act, together with the provisions of this Schedule, apply accordingly).

section 6(4) of PSPJOA 2022 does not apply in relation to M’s reformed scheme service (and, accordingly, section 2(1) of PSPJOA 2022 has effect in relation to M’s reformed scheme service for the purposes mentioned in section 2(3)(b) of that Act from the time the immediate choice decision is made).

- (6) Where the deferred choice decision is that no section 10 election is to be made, the benefits payable to or in respect of M, so far as they are determined by reference to M's remediable service, are legacy scheme benefits.

 - (i) at the end of the day 6 months after the day the remediable service statement mentioned in paragraph (a) was issued;
 - (ii) subject to sub-paragraph (3), at the end of such other day as the Scheme manager considers reasonable in all the circumstances.
- (2) The end of the period during which a deferred choice decision may be made must not be more than one year before the day on which it is reasonably expected that legacy scheme benefits would become payable to or in respect of M.
- (3) A deferred choice decision made by M may be revoked—
- (a) at any time before the cancellation deadline, and
 - (b) by M communicating to the Scheme manager notice of the revocation in a form and manner determined by the Scheme manager.

- (a) the end of the section 10 election period in relation to M has passed,
- (b) no deferred choice decision has been made,

the Scheme manager may, if it seems reasonable in all the circumstances of the case, treat a section 10 election as having been made in relation to M's remediable service immediately before the end of the section 10 election period.

(3) For the purposes of this paragraph, an amount owed by P under the rules of a relevant injury and compensation Scheme is treated as a relevant amount owed by P to this Scheme, where P’s liability arose by virtue of the operation of the provisions of Chapter 1 of Part 1 of PSPJOA 2022.

(a) by M, or

(b) where M is deceased, by the eligible decision-maker specified in Part 8.

(3) Where a person other than the Scheme manager is the opted-out service decision-maker, an opted-out service election may only be made after the Scheme manager determines an application which is—

(a) made by or on behalf of M,

(b) in a form and manner determined by the Scheme manager,

(c) received by the Scheme manager within twelve months of the date on which the Scheme manager notified M of their right to make the application, and

(4) As soon as is reasonably practicable after receipt of an application, the Scheme manager must—

- (7) Where—
- (a) immediately before 1st October 2023, M had remediable service in the reformed scheme (“reformed scheme service”), and
 - (b) an immediate choice decision is made that no section 6 election is to be made in relation to M’s remediable service,

section 6(4) of PSPJOA 2022 does not apply in relation to M’s reformed scheme service (and, accordingly, section 2(1) of PSPJOA 2022 has effect in relation to M’s reformed scheme service for the purposes mentioned in section 2(3)(b) of that Act from the time the immediate choice decision is made).

(3) Where—

- (a) a remediable service statement has been provided to M in accordance with paragraph 5(2)(a), and

the Scheme manager may, if it seems reasonable in all the circumstances of the case, treat an immediate choice election as having been made in relation to M's remediable service immediately before the end of the section 6 election period.

EXPLANATORY NOTE

(This note is not part of the Regulations)

The Public Service Pensions Act 2013 (c. 25) (“PSPA 2013”) makes provision, and confers powers to make further provision (in the form of “Scheme regulations” as defined in section 1 of PSPA 2013), about the establishment of public service pension schemes. The Armed Forces Pensions Regulations 2014 (S.I. 2014/2336) (“the 2015 Regulations”) are the scheme regulations establishing the successor pension scheme (“the reformed scheme”) to six pre-2015 legacy pension schemes for members of the armed forces with effect from 1st April 2015. The Armed Forces (Transitional Provisions) Pensions Regulations 2015 (S.I. 2015/568) amended the relevant legacy pension schemes and provided for transitional protection for certain cohorts of legacy scheme members. Transitional protection of this sort was subsequently found to unlawfully discriminate between legacy scheme members on the basis of age.

The Public Service Pensions and Judicial Offices Act 2022 (c. 7) (“PSPJOA 2022”), at Chapter 1, makes provision, and confers powers for scheme regulations under PSPA 2013 to make further provision, in relation to specified service (“remediable service” as defined in section 1 of PSPJOA 2022) of members who benefited from transitional protection, and of members who did not benefit from transitional protection only by reason of their age. Section 22 of PSPJOA 2022 makes provision for scheme regulations to make provision about injury and compensation benefits payable under existing injury and compensation schemes, to make provision for cases where a member is made redundant, for cases where a member’s remuneration is subject to a condition relating to pensionable service under a particular scheme and for cases where two schemes make provision in relation to the same period of remediable service. Section 27 of PSPJOA 2022 requires certain powers to make scheme regulations to be exercised in accordance with Treasury directions.

These Regulations are scheme regulations under PSPA 2013 and made in accordance with PSPJOA 2022, and relate to a member’s remediable service in an armed forces pension scheme. They are, to the extent required by section 27 of PSPJOA 2022, made in accordance with Treasury directions under that section (in the form of the Public Service Pensions (Exercise of Powers, Compensation and Information) Directions 2022). These Regulations have retrospective effect, which is authorised by section 3(3)(b) of PSPA 2013.

Part 2 of these Regulations makes provision for members of the Armed Forces Pension Scheme 1975 (“AFPS 1975”). The rules for the AFPS 1975 are set out in Schedules 1 and 3 to three instruments, one for each of the Services. This Part amends Schedule 1 rules relating to reckonable service, abatement of pension, and the calculation of an officer’s pension. Schedule 3 is amended by substituting a definition of a member’s transition date and omitting the unlawfully discriminatory rule. This Part also inserts a new Schedule into the instruments containing the rules of the AFPS 1975, making provision for members with remediable service under PSPJOA 2022.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Part 3 of these Regulations makes provision for members of the Armed Forces Pension Scheme 2005 (“AFPS 2005”). This Part amends rules relating to reckonable service, nomination of death in service benefits, aggregation of service and abatement of pension. Schedule 2 to the AFPS 2005 rules is amended by substituting a definition of a member’s transition date and omitting the unlawfully discriminatory rule. This Part also inserts a new Schedule into the AFPS 2005, making provision for members with remediable service under PSPJOA 2022.

Part 4 of these Regulations amends the rules of the Armed Forces Early Departure Payments Scheme 2005 (“EDP 2005”), by amending definitions and inserting a new Schedule, making provision for members with remediable service under PSPJOA 2022.

Part 5 of these Regulations makes provision for members of the Reserve Forces Pension Scheme 2005 (“RFPS 2005”). This Part amends rules relating to reckonable service, nomination of death in service benefits and abatement of pension. Schedule 3 to the RFPS 2005 rules is amended by substituting a definition of a member’s transition date and omitting the unlawfully discriminatory rule. This Part also inserts a new Schedule into the RFPS 2005, making provision for members with remediable service under PSPJOA 2022.

Part 6 of these Regulations makes provision for members of the Full-Time Reserve Service Pension Scheme 1997 (“FTRS 1997”). This Part amends rules relating to reckonable service and abatement of pension. Schedule 2 to the FTRS 1997 rules is amended by substituting a definition of a member’s transition date and omitting the unlawfully discriminatory rule. This Part also inserts a new Schedule into the FTRS 1997, making provision for members with remediable service under PSPJOA 2022.

Part 7 of these Regulations makes provision for members of the Non Regular Permanent Staff Pension Scheme (“NRPS 2011”). This Part amends a rule relating to reckonable service in Schedule 1. Schedule 3 to the NRPS 2011 rules is amended by substituting a definition of a member’s transition date and omitting the unlawfully discriminatory rule. This Part also inserts a new Schedule into the NRPS 2011, making provision for members with remediable service under PSPJOA 2022.

Part 8 of these Regulations makes provision for members of the Armed Forces Pension Scheme 2015 (“the reformed scheme”). This Part amends a provision in the 2015 Regulations relating to eligibility for active membership where a member opts back into remediable service. This Part also inserts a new Schedule into the reformed scheme, making provision for members with remediable service under PSPJOA 2022.

Part 9 of these Regulations amends the Armed Forces Resettlement Commutation Scheme 2010 in relation to members with remediable service under PSPJOA 2022.

Part 10 of these Regulations amends the rules of the Armed Forces Redundancy Scheme 2020 in relation to members with remediable service under PSPJOA 2022.

Part 11 of these Regulations amends the rules of the Armed Forces Compensation Scheme 2011, making provision for the recovery of overpayments relating to a member with remediable service under PSPJOA 2022 in certain cases.

Schedule 1 to these Regulations contains the new Schedule to be inserted into the AFPS 1975, divided into the following Parts.

- Part 1 of the Schedule contains introductory provisions and definitions, particularly of those members who are eligible to make a decision under the terms of the Schedule (and the provisions of PSPJOA 2022).
- Part 2 makes provision about when and to whom a remediable service statement is to be provided by the Scheme manager, as well as the contents of the remediable service statement.
- Part 3 makes provision about the principal decisions that may be made in relation to a member’s remediable service—
