(3) In a case where the time for appealing under paragraph 18B(6) of Schedule 2 to the 1992 Regulations had not expired on or before 31st March 2004, the notice of determination of withdrawal shall be deemed to be a notice of determination of withdrawal of approval on notice under the term of the general medical services contract which gives effect to paragraph 4 of Schedule 7 to the 2004 Regulations (or under the equivalent term of the default contract), subject to the modifications that—

- (a) the 30 days referred to in the term of the general medical services contract giving effect to paragraph 4(8) (or in the equivalent term of the default contract) shall be treated as beginning with the day on which the Local Health Board sent the notice under paragraph 18B, and
- (b) the date referred to in the term of the general medical services contract giving effect to sub-paragraph 4(9)(a) (or in the equivalent term of the default contract) shall be treated as being the date on which the Local Health Board sent the notice under paragraph 18B.

(3) In a case where, on 31st March 2004, an appeal had already been made under paragraph 18C(4) but not yet been determined or withdrawn, that appeal shall, except in the circumstances specified in paragraph (4), continue to be dealt with as if paragraphs 18A and 18C of Schedule 2 to the 1992 Regulations had not been revoked and, if the appeal is successful, the approval of the arrangement shall be treated as an approval given under the term of the general medical services contract which gives effect to paragraph 2 of Schedule 7 to the 2004 Regulations (or under the equivalent term of the default contract).

66.—(1) Where—

68.—(1) Where a general medical services contractor or a default contractor is required under article 24 or 25 of the Transitional Order to provide any of the additional services to patients who are not included on its list of patients, it shall, for so long as that requirement continues, and subject

to paragraphs (2) and (4), also be required to provide that service to those patients throughout the out of hours period.

(2) In the case of a general medical services contract, the requirement referred to in paragraph (1) shall cease on the date on which any opt out of out of hours services commences pursuant to the terms of the general medical services contract which gives effect to paragraphs 4 or 5 of Schedule 3 to the 2004 Regulations.

(3) Where paragraph (2) applies, the requirement to inform patients of opt outs in the term of the general medical services contract which gives effect to paragraph 6 of Schedule 3 to the 2004 Regulations shall apply to the patients to whom services are provided pursuant to this article as it applies to the general medical services contractor's own registered patients.

(4) Nothing in this article shall require a general medical services contractor or a default contractor to provide services under this article if, in the reasonable opinion of the default contractor or the general medical services contractor in the light of the patient's medical condition it would be reasonable in all the circumstances for the patient to wait for the services required until the next time at which he or she could obtain such services during core hours.

(5) Services included in a general medical services contract or a default contract pursuant to this article shall be deemed to fall within the definition of out of hours services for the purposes of—
