EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Firefighters' Pension (Wales) Scheme (set out in Schedule 2 to the Firemen's Pension Scheme Order 1992 (S.I. [1992/129](#))) ("the Scheme") as it has effect in Wales.

The amendment provides different rates for pension contributions payable by members of the Scheme which increase according to the amount of pensionable pay which the member receives. The contribution rates are specified in the Table in paragraph 3 of Part A1 of Schedule 8 to the Scheme.

In addition, a new band of pensionable pay has been created so that those firefighters who earn more than £15,000 and up to and including £21,000 will pay a lower rate than those earning more than £21,000.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to this Order. As a result, a regulatory impact assessment has been prepared as to the likely costs and benefits of complying with this Order.
