**The North Wales Corporate Joint Committee Regulations 2021**

**PART 5**

**Funding**

**Calculation of budget requirements**

**16.**—(1) For each financial year the North Wales CJC must calculate the amounts described in paragraph (2) attributable to—

- (a) its strategic planning functions (including an appropriate proportion of administration costs and other overheads), and
- (b) its other functions.

(2) The amounts that the CJC must calculate are—

- (a) the amount which the CJC estimates it will spend in respect of the financial year in the exercise of its functions (including spending on administration and other overheads);
- (b) the amount which the CJC considers appropriate to raise for contingencies arising in respect of the financial year;
- (c) the amount which the CJC considers appropriate to be held as a reserve to meet expenditure it considers will be incurred in respect of future financial years;
- (d) any amount which the CJC considers is necessary to meet liabilities outstanding in respect of any earlier financial year.

(3) For each financial year, the North Wales CJC must also calculate the aggregate of any amounts it estimates it will receive from sources other than the constituent councils and the Snowdonia National Park Authority attributable to—

- (a) its strategic planning functions, and
- (b) its other functions.

(4) Where the sum of the amounts calculated for a financial year under paragraph (1)(a) exceeds the amount calculated for that year under paragraph (3)(a), the amount of excess is the North Wales CJC's strategic planning budget requirement for the financial year.

(5) Where the sum of the amounts calculated for a financial year under paragraph (1)(b) exceeds the amount calculated for that year under paragraph (3)(b), the amount of excess is the North Wales CJC's general budget requirement for the financial year.

(6) The North Wales CJC must—

- (a) carry out the calculations under paragraphs (1) and (3), and
- (b) agree those calculations at a meeting,

no later than 31 January in each preceding financial year.

(7) In relation to the first financial year, paragraph (6) applies as if, for “31 January in each preceding financial year” there were substituted “31 January 2022”.

(8) The North Wales CJC may revise the calculations carried out under paragraphs (1) and (3) at any time before the end of the financial year to which they relate and the North Wales CJC's general budget requirement, or strategic planning budget requirement, may consequently be revised.

(9) Any revised calculations must be agreed at a meeting of the North Wales CJC.
