Approved by Senedd Cymru

<i>Made</i>	- - - -	<i>at 2.59 p.m. on 25 March 2022</i>
<i>Laid before Senedd Cymru</i>		<i>at 5.00 p.m. on 25 March 2022</i>
<i>Coming into force</i>	- -	<i>28 March 2022</i>

The Welsh Ministers make the following Regulations in exercise of the powers conferred by sections 45C(1) and (3)(c) and 45P(2) of the Public Health (Control of Disease) Act 1984(1).

These Regulations are made in response to the threat to public health which is posed by the incidence and spread of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in Wales.

The Welsh Ministers consider that restrictions and requirements imposed by these Regulations are proportionate to what they seek to achieve, which is a public health response to that threat.

In accordance with section 45R of that Act the Welsh Ministers are of the opinion that, by reason of urgency, it is necessary to make this instrument without a draft having been laid before, and approved by a resolution of, Senedd Cymru.

EXPLANATORY NOTE

(This note is not part of the Regulations)

Part 2A of the Public Health (Control of Disease) Act 1984 enables the Welsh Ministers, by regulations, to make provision for the purpose of preventing, protecting against, controlling or providing a public health response to the incidence or spread of infection or contamination in Wales.

These Regulations are made in response to the threat to public health which is posed by the incidence and spread of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) in Wales.

These Regulations amend the Health Protection (Coronavirus Restrictions) (No. 5) (Wales) Regulations 2020 (S.I. 2020/1609 (W. 335)) (“the principal Regulations”). The amendments—

- omit Part 3 of the principal Regulations, which requires persons to self-isolate if they test positive for coronavirus, or are close contacts of persons who test positive for coronavirus (but self-isolation continues to be recommended in Welsh Government guidance);
- change the principal Regulations’ requirements for face coverings to be worn on public transport and in certain indoor public places so that they now only apply in health and social care premises;
- omit the specific requirement for persons who are election campaigning to take reasonable measures to minimise the risk of exposure to coronavirus (but political parties will continue to be required to take such reasonable measures under regulation 16 of the principal Regulations in relation to their activities on regulated premises);
- omit the specific offence in the principal Regulations of being involved in organising a large unlicensed music event.

The Regulations also make amendments that are consequential on the amendments set out above and those which have been made to the principal Regulations previously. They also make a transitional provision to make clear that any legal requirement for a person to self-isolate ceases when these Regulations come into force (but again Welsh Government guidance will continue to be relevant to such a person).

As amended by these Regulations, the principal Regulations continue to provide that no alert level applies to Wales. This means that none of the restrictions and requirements in Schedules 1 to 4 to the principal Regulations applies (and if future regulations were to move Wales to any of alert levels 1 to 4, the restrictions and requirements in Schedules 1 to 4 to the principal Regulations could be amended before taking effect).

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. In accordance with the Code, a regulatory impact assessment as to the likely cost and benefit of complying with these Regulations has not been carried out, due to the need to put them in place urgently.
