EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations prescribe the form of the notice that a local authority is required to register in the Land Register or the General Register of Sasines in respect of payment of an improvement or repairs grant, or a grant for fire escapes for a house in multiple occupation.

The Regulations revoke the existing form of notice set out as Form 5 in the list of forms in the Schedule to the Housing (Forms) (Scotland) Regulations 1980.

The Schedule to the Regulations sets out the form of the notice. The notice specifies the conditions which must be observed, the period for which these conditions must be observed and the results of a breach of these conditions.
