Regulation 2(2) to (8) amends sections 2, 4 to 9 and 15 of the 2007 Act to rearrange the order in which the Commission has to categorise a complaint as conduct or services, decide whether to reject a complaint as frivolous, vexatious or totally without merit, and decide whether a complaint has not been made timeously or has been made prematurely.

Regulation 2(9) amends section 9 of the 2007 Act to give the Commission the ability to discontinue and reinstate services complaints.

Regulation 2(10) inserts a new section 9A into the 2007 Act which gives the Commission the ability to reject a complaint when it becomes aware of new information which suggests that it should have been rejected earlier.

Regulation 2(13) to (14) amends sections 23 and 24 of the 2007 Act to allow practitioners concerned in conduct complaints to make handling complaints about the manner in which a conduct complaint was dealt with by the relevant professional organisation.
