These Regulations amend Commission [Decision 2000/572/EC](#) which lays down animal and public health and veterinary certification conditions for imports of meat preparations from third countries.

Regulation 2 amends Commission [Decision 2000/572/EC](#) to remove the import condition that meat preparations from third countries have been deep-frozen at the production plant or plants of origin.

Regulation 3 revokes, in consequence, other instruments or the provisions of other instruments which modified that import condition.
