EXPLANATORY NOTE

(This note is not part of the Order)

For the purposes of financing the Home-Grown Cereals Authority's non-trading functions under Part I of the Cereals Marketing Act 1965 for the year beginning 1st July 1990, this Order specifies the rates of dealer levy, grower levy and processor levy which appear to Ministers to be sufficient to meet the amount apportioned to certain cereals grown in the United Kingdom namely, wheat (including durum wheat), barley, oats, rye, maize, triticale or any two or more of such cereals grown as one crop and the rate of levy which appears to them to be sufficient to meet the amount apportioned to certain oilseeds grown in the United Kingdom, namely rapeseed, linseed, soyabean, sunflowerseed or any two or more of such oilseeds grown as one crop.

In the case of each of these kinds of cereals, the rate of dealer levy is 3105 pence per tonne, the rate of grower levy is 2415 pence per tonne and the rate of processor levy is 805 pence per tonne and in the case of each of these kinds of oilseeds the rate of levy is 575 pence per tonne.

Levy will be imposed in accordance with the provisions of the Home-Grown Cereals Authority Cereals Levy Scheme 1987 and the Home-Grown Cereals Authority Oilseeds Levy Scheme 1990, Schemes in force under section 16 of the Act.

The Order comes into force on 1st July 1990.
