These Regulations amend the Tax Avoidance Schemes (Prescribed Descriptions of Arrangements) Regulations 2006 (the principal regulations) to include a description of arrangements of a pension scheme.

Regulation 2 amends regulation 5 of the principal regulations to include pensions in the arrangements prescribed for the purposes of Part 7 of the Finance Act 2004 in relation to income tax, corporation tax and capital gains tax and inserts the pensions description as regulation 17A in the principal regulations.

Regulation 3 provides a longer period by way of transitional provisions for cases where certain relevant dates fall before 31st August 2009. The relevant date means the earlier of the dates when a promoter makes a notifiable proposal available for implementation or becomes aware of any transaction forming part of notifiable arrangements implementing the notifiable proposal.
