EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations replace regulation 2 of the Education (Independent Educational Provision in England) (Unsuitable Persons) Regulations 2009 (“the 2009 Regulations”), which sets out the kind of work which is prescribed for the purposes of section 119(1)(a) of the Education and Skills Act 2008. The kind of work prescribed is amended so as to omit the requirement for a person to carry out the work regularly. This will enable the Secretary of State, if satisfied that a person is subject to a direction, order or decision set out in regulation 3 of the 2009 Regulations, to remove an institution from the register of independent schools if that person carries out any work of a prescribed kind rather than only if such work is carried out regularly.

An impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen. The impact on the public sector is minimal.
