Majesty's Treasury

EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends sections 45D and 104AA of the Capital Allowances Act 2001 (c.2). These sections set out the conditions to qualify for 100% first-year allowances (section 45D) and main rate allowances (section 104AA) on expenditure in respect of cars with low carbon dioxide emissions.

Article 4 extends the first-year allowance for cars with low carbon dioxide emissions for a further three year period ending on 31st March 2021. It also reduces the qualifying emissions threshold for the first-year allowance from 75 grams to 50 grams per kilometre driven, in relation to expenditure incurred on or after 1st April 2018.

Article 5 reduces the qualifying emissions threshold for the main rate allowance from 130 grams to 110 grams per kilometre driven, in relation to expenditure incurred on or after 1st April 2018.

This Order revokes article 4(a) of S.I. 2015/60, which previously amended section 45D(1)(a) of the Capital Allowances Act 2001.
