(76/42/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 11 November 1975 by the Governments of the Benelux countries to the Commission by telex from the Office of the Permanent Representative of the Kingdom of the Netherlands to the European Communities, for authorization not to apply Community treatment to infant's jackets of woven fabrics of mixed synthetic textile fibres falling within subheading 61.02 ex B of the Common Customs Tariff, originating in Taiwan and in free circulation in the Federal Republic of Germany,

Whereas imports into the Community of the products in question originating in Taiwan are authorized under a Community quantitative quota established by Council Regulation (EEC) No 1783/75 of 10 July 1975 on rules for imports of certain textile products originating in Taiwan<sup>(1)</sup>;

Whereas this quota is administered by allocation among the Member States, as determined by Commission Regulation (EEC) No 1849/75 of 18 July 1975 allocating quantitative quotas in respect of imports into the Community of certain textile products originating in Taiwan<sup>(2)</sup>; whereas the quota shares allocated for 1975 to the Benelux countries and the Federal Republic of Germany are 56 000 kg and 125 000 kg respectively;

Whereas, since it was not possible when the Community quota was opened to achieve full alignment of the import arrangements previously applied in the Member States, the above Regulation (EEC) No 1783/75 provides, as a temporary measure, for a derogation from the principle of equal and continuous

access for all importers to Community quotas by stipulating that the quota in question be allocated initially on the basis of the volume of imports previously admitted into the various Member States and need be adjusted only progressively to the supply requirements of the markets;

Whereas for this reason the allocation of the quota in question still involves certain disparities in the quota shares fixed for the various Member States in relation to the supply requirements of the markets concerned;

Whereas these disparities have caused in the Benelux countries a flow of imports of the products in question, originating in Taiwan and in free circulation in the Federal Republic of Germany, which threatens to continue and to grow;

Whereas according to information supplied by the Governments of the Benelux countries there are serious economic difficulties in the branch of the industry concerned by the application, resulting in a progressive decline of production and a constant reduction of the number of workers employed in that sector;

Whereas these economic difficulties are caused largely by unequal conditions of competition with certain countries (including Taiwan), whereby such countries are enabled to export at prices lower than those of producers in the Benelux countries;

Whereas it is not possible at the present time to set in motion the machinery for bringing about the necessary cooperation from the Federal Republic of Germany;

Whereas authorization should accordingly be given, for a limited period, for the application of protective measures, under the first paragraph of Article 115, subject to the conditions laid down by the Commission Decision of 12 May 1971<sup>(3)</sup>, and in particular Article 1 thereof;

<sup>(1)</sup> OJ No L 182, 12. 7. 1975, p. 2.

<sup>(2)</sup> OJ No L 189, 21. 7. 1975, p. 24.

<sup>(3)</sup> OJ No L 121, 3. 6. 1971, p. 26.

Whereas the request for a licence which gave rise to the application under Article 115 need not be covered by this authorization in view of the small amount involved,

HAS ADOPTED THIS DECISION :
