(78/460/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular the first paragraph of Article 115 thereof,

Having regard to the application under the first paragraph of Article 115 of the Treaty, made on 2 May 1978 by the French Government to the Commission of the European Communities, for authorization not to apply Community treatment to woven fabrics of jute or of other textile bast fibres, sacks and bags of a kind used for the packing of goods, of jute or of other textile bast fibres of heading No 57.03, falling within heading No 57.10 or subheading 62.03 ex A of the Common Customs Tariff, originating in India and in free circulation in the other Member States,

Whereas the importation into the Community of the products in question originating in India is covered by an Agreement negotiated between the Community and this third country on trade in jute products;

Whereas under this Agreement direct imports of these products are subject in France to quantitative restrictions;

Whereas according to the application submitted there are serious difficulties in the industrial sector concerned, involving a considerable drop in production and employment;

Whereas these economic difficulties are caused largely by unequal conditions of competition, whereby exports can be effected at prices appreciably lower than those of the Community products in question;

Whereas further indirect imports, in addition to those already effected, would be likely to aggravate these difficulties;

Whereas it is not possible to set in motion rapidly the machinery for bringing about the necessary cooperation from the other Member States;

Whereas authorization should accordingly be given for the application of protective measures under the

first paragraph of Article 115, subject to the conditions specified in the Commission Decision of 12 May 1971 ⁽¹⁾ and in particular Article 1 thereof,

HAS ADOPTED THIS DECISION:

Article 1
