

COMMISSION

COMMISSION DECISION

of 29 July 1983

on the list of establishments in New Zealand approved for the purposes of importing fresh meat into the Community

(83/402/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 72/462/EEC of 12 December 1972 on health and veterinary inspection problems upon importation of bovine animals, swine and fresh meat from third countries⁽¹⁾, as last amended by Directive 83/91/EEC⁽²⁾, and in particular Articles 4 (1) and 18 (1) (a) and (b) thereof,

Whereas establishments in third countries cannot be authorized to export fresh meat to the Community unless they satisfy the general and special conditions laid down in Directive 72/462/EEC;

Whereas New Zealand has forwarded, in accordance with Article 4 (3) of Directive 72/462/EEC, a list of the establishments authorized to export to the Community;

Whereas Community on-the-spot visits have shown that the hygiene standards of many of these establishments are sufficient and they may therefore be entered on a first list, established according to Article 4 (1) of the said Directive, of establishments from which importation of fresh meat may be authorized;

Whereas the case of the other establishments proposed by New Zealand has to be re-examined on the basis of additional information regarding their hygiene standards and their ability to adapt quickly to the Community legislation;

Whereas, in the meantime and so as to avoid any abrupt interruption of existing trade flows, these establishments may be authorized temporarily to continue

their exports of fresh meat to those Member States prepared to accept them;

Whereas it will therefore be necessary to re-examine and, if necessary, amend this Decision in the light of measures taken to this end and improvements made;

Whereas import of fresh meat from establishments appearing on the list annexed to this Decision remains subject to provisions laid down elsewhere and to the general provisions of the Treaty; whereas, in particular, import from third countries and re-export to other Member States of certain categories of meat, such as meat weighing less than three kilograms, or meat containing residues of certain substances which are not yet covered by Community rules or by rules which need to be further harmonized, remain subject to the health legislation of the importing Member State, while respecting the general provisions of the Treaty;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1

1. The establishments in New Zealand listed in the Annex are hereby approved for the import of fresh meat into the Community pursuant to the said Annex.
2. Imports from the establishments referred to in paragraph 1 shall remain subject to the Community veterinary provisions laid down elsewhere.

Article 2

1. Member States shall prohibit imports of fresh meat coming from establishments other than those listed in the Annex.

⁽¹⁾ OJ No L 302, 31. 12. 1972, p. 28.

⁽²⁾ OJ No L 59, 5. 3. 1983, p. 34.

2. However, Member States may continue to authorize until 30 April 1984 imports of fresh meat coming from establishments which are not listed in the Annex but which have been officially approved and proposed by the authorities of New Zealand as of 30 March 1983 pursuant to Article 4 (3) of Directive 72/462/EEC, unless a decision is taken to the contrary, in accordance with Article 4 (1) of the abovementioned Directive, before 1 May 1984.

The Commission shall forward the list of these establishments to the Member States.

Article 3

This Decision shall apply from 1 October 1983.

Article 4

This Decision shall be reviewed and if necessary amended before 1 February 1984.
