(Only the Greek text is authentic)

(90/185/Euratom, EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Treaty establishing the European Atomic Energy Community,

Having regard to Council Regulation (EEC, Euratom) No 1553/89 of 29 May 1989 on the definitive uniform arrangements for the collection of own resources accruing from value added tax<sup>(1)</sup>, and in particular Article 13 thereof,Whereas Council Regulation (EEC, Euratom, ECSC) No 2892/77 of 19 December 1977 implementing in respect of own resources accruing from value added tax the Decision of 21 April 1970 on the replacement of financial contributions from Member States by the Communities' own resources<sup>(2)</sup> ceased to be applicable on 31 December 1988; whereas the authorizations given under Article 13 thereof must be renewed from 1 January 1989 pursuant to Article 13 of Regulation (EEC, Euratom) No 1553/89;Whereas, under Article 28 (3) of the Sixth Council Directive 77/388/EEC of 17 May 1977 on the harmonization of the laws of the Member States relating to turnover taxes — Common system of value added tax: uniform basis of assessment<sup>(3)</sup>, hereinafter called 'the Sixth Directive', as last amended by Directive 84/386/EEC<sup>(4)</sup>, the Member States may continue to exempt or tax certain transactions; whereas these transactions must be taken into account for the determination of the VAT resources base;Whereas paragraph 2 (b) of Section III (Taxation) of Annex VIII to the Act of Accession of the Hellenic Republic to the European Communities<sup>(5)</sup> authorizes Greece to exempt certain activities listed in Annex F to the Sixth

Directive from value added tax in accordance with Article 28 (3) of the Sixth Directive;

Whereas precise calculation of the base is likely to involve an unjustified administrative burden in relation to the effect of these transactions on Greece's total VAT resources base; whereas Greece is able to make a calculation using approximate estimates for the categories of transactions listed in Annex F to the Sixth Directive; whereas it should therefore be authorized to calculate the VAT base using approximate estimates;

Whereas the Advisory Committee on Own Resources has approved the report recording the opinions of its members on this Decision,

HAS ADOPTED THIS DECISION:
