

COMMISSION DECISION

of 14 January 1997

authorizing the Member States exceptionally to provide for derogations from certain provisions of Council Directive 77/93/EEC in respect of plants of *Vitis* L., other than fruits, originating in Croatia or Slovenia

(Text with EEA relevance)

(97/78/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS DECISION:

Having regard to the Treaty establishing the European Community,

Article 1

Having regard to Council Directive 77/93/EEC of 21 December 1976 on protective measures against the introduction into the Community of organisms harmful to plants or plant products and against their spread within the Community⁽¹⁾, as last amended by Commission Directive 96/78/EC⁽²⁾, and in particular Article 14 (1) thereof,

Having regard to the request made by Italy,

Whereas, under the provisions of Directive 77/93/EEC, plants of *Vitis* L., other than fruits, originating in third countries, may in principle not be introduced into the Community;

Whereas the imports would take place for a limited period of time to enable specialised nurseries to multiply these plants in the EU, whereby these plants will be re-exported afterwards to Croatia or Slovenia;

Whereas, in respect of the said imports into the Community of the said plants, on the basis of the information supplied by the relevant Member State, it appears that in Croatia and Slovenia, plants of *Vitis* L. can be grown under adequate health conditions and that there are no sources for the introduction of exotic diseases affecting plants of *Vitis* L.;

Whereas therefore a derogation should be authorized for a limited period, provided that it includes specific conditions and without prejudice to Council Directive 68/193/EEC⁽³⁾, as last amended by the Act of Accession of Austria, Finland and Sweden;
