Commission Decision of 20 November 1997 on the procedure for attesting the conformity of construction products pursuant to Article 20 (2) of Council Directive 89/106/EEC as regards floorings (Text with EEA relevance) (97/808/EC)

*Article 1*

The products and families of products set out in Annex I shall have their conformity attested by a procedure whereby the manufacturer has under its sole responsibility a factory production control system ensuring that the product is in conformity with the relevant technical specifications.

*Article 2*

The products set out in Annex II shall have their conformity attested by a procedure whereby, in addition to a factory production control system operated by the manufacturer, an approved certification body is involved in assessment and surveillance of the production control or of the product itself.

*Article 3*

The procedure for attesting conformity as set out in Annex III shall be indicated in mandates for harmonized standards.

*Article 4*

This Decision is addressed to the Member States.
