of 13 February 1998

## laying down special conditions governing imports of fishery and aquaculture products originating in Bangladesh

(Text with EEA relevance)

(98/147/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 91/493/EEC of 22 July 1991 laying down the health conditions for the production and the placing on the market of fishery products<sup>(1)</sup>, as last amended by Directive 95/71/EC<sup>(2)</sup>, and in particular Article 11 thereof,

Having regard to Council Directive 90/675/EEC of 10 December 1990 laying down the principles governing the organisation of veterinary checks on products entering the Community from third countries<sup>(3)</sup>, as last amended by Directive 96/43/EC<sup>(4)</sup>, and in particular Article 19(7) thereof,

Whereas a Commission expert team has conducted an inspection visit to Bangladesh to verify the conditions under which fishery products are produced, stored and dispatched to the Community;

Whereas the provisions of legislation of Bangladesh on health inspection and monitoring of fishery products may be considered equivalent to those laid down in Directive 91/493/EEC;

Whereas, in Bangladesh the Department of Fisheries — Fish Inspection and Quality Control (DF-FIQC) of the Ministry of Fisheries and Livestock is capable of effectively verifying the application of the laws in force;

Whereas the procedure for obtaining the health certificate referred to in Article 11(4)(a) of Directive 91/493/EEC must also cover the definition of a model certificate, the minimum requirements regarding the language(s) in which it must be drafted and the grade of the person empowered to sign it;

Whereas, pursuant to Article 11(4)(b) of Directive 91/493/EEC, a mark should be affixed to packages of fishery products giving the name of the third country and the approval number of the establishment;

Whereas, pursuant to Article 11(4)(c) of Directive 91/493/EEC, a list of approved establishments must be

drawn up; whereas that list must be drawn up on the basis of a communication from the DF-FIQC to the Commission; whereas it is therefore for the DF-FIQC to ensure compliance with the provisions laid down to that end in Article 11(4) of Directive 91/493/EEC;

Whereas the DF-FIQC provided, on 31 December 1997, official assurances regarding compliance with the rules set out in Chapter V of the Annex to Directive 91/493/EEC and regarding the fulfilment of requirements equivalent to those laid down by that Directive for the approval of establishments;

Whereas it is necessary to repeal Commission Decision 97/513/EC of 1 August 1997 concerning certain protective measures with regard to certain fishery products originating in Bangladesh<sup>(5)</sup>;
