Having regard to the approval of the Council given in accordance with Article 101 of the Treaty establishing the European Atomic Energy Community,

Whereas conclusion of the Partnership and Cooperation Agreement between the European Communities and their Member States, of the one part, and Ukraine, of the other, signed on 14 June 1994 in Luxembourg, will contribute to the achievement of the objectives of the European Communities;

Whereas the purpose of that Agreement is to strengthen the links established in particular by the Agreement between the European Economic Community and the European Atomic Energy Community and the Union of Soviet Socialist Republics on trade and commercial and economic cooperation, signed on 18 December 1989 and approved by Decision 90/116/EEC⁽³⁾;

Whereas certain obligations, provided for by the Partnership and Cooperation Agreement outside the scope of Community trade policy, affect or are likely to affect the arrangements laid down by Community acts adopted in the areas of the right of establishment, transport and the treatment of enterprises;

Whereas the said Agreement imposes on the European Community certain obligations regarding capital movements and payments between the Community and Ukraine;

Whereas, in addition, insofar as the said Agreement affects Council Directive 90/434/EEC of 23 July 1990 on the common system of taxation applicable to mergers, divisions, transfers of assets and exchanges of shares concerning companies of different Member States⁽⁴⁾, and Council Directive 90/435/EEC of 23 July 1990 on the common system of taxation applicable in the case of parent companies and subsidiaries of different Member States⁽⁵⁾, which are based on Article 100 of the Treaty establishing the European Community, that Article should be used as a legal basis;

Whereas certain provisions of the said Agreement impose on the Community obligations in the field of the provision of services which go beyond the crossborder framework;

Whereas for certain provisions of the said Agreement which are to be implemented by the Community, the Treaty establishing the European Community makes no provision for specific powers; whereas it is therefore necessary to resort to Article 235 of the Treaty,
