Article 1

The Single Programming Document for Community structural assistance under Objective 2 to the eligible areas of Vienna for the period 1 January 2000 to 31 December 2006 is hereby approved.

<sup>(1)</sup> OJ L 161, 26.6.1999, p. 1.

## Article 2

1. In accordance with Article 19 of Regulation (EC) No 1260/1999, the Single Programming Document includes the following elements:

- (a) the strategy and priorities for the joint action of the Structural Funds and the Member State; their specific quantified targets; the *ex ante* evaluation of the expected impact, including on the environmental situation, and the consistency of the priorities with the economic, social and regional policies and the employment strategy of Austria.

The priorities are as follows:

1. developing local urban structure;
  2. competitive businesses as a prerequisite for creating jobs;
  3. society and human resources;
  4. technical assistance;
- (b) a summary description of the measures planned to implement the priorities, including the information needed to check compliance with the State aid rules under Article 87 of the Treaty;
- (c) the indicative financing plan specifying for each priority and each year the financial allocation envisaged for the contribution from each Fund, and the total amounts of eligible public or equivalent expenditure and estimated private funding in the Member State. The total contribution from the Funds planned for each year for the Single Programming Document is consistent with the relevant financial perspective;
- (d) the provisions for implementing the Single Programming Document including designation of the managing authority, a description of the arrangements for managing the Single Programming Document and the use to be made of global grants, a description of the systems for monitoring and evaluation, including the role of the Monitoring Committee and the arrangements for the participation of the partners in that Committee;
- (e) the *ex ante* verification of compliance with additionality and information on the transparency of financial flows;
- (f) information on the resources required for preparing, monitoring and evaluating the assistance.

2. The indicative financing plan puts the total cost of the priorities selected for the joint action by the Community and the Member State at EUR 47 535 410 for the whole period and the financial contribution from the Structural Funds at EUR 18 075 000.

The resulting requirement for national resources of EUR 20 315 474 from the public sector and EUR 9 144 936 from the private sector can be partly met by Community loans from the European Investment Bank and other lending instruments.

## Article 3

1. The total assistance from the Structural Funds granted under the Single Programming Document amounts to EUR 18 075 000. The procedure for granting the financial assistance, including the financial contribution from the Funds for the various priorities included in the Single Programming Document, is set out in the financing plan annexed to this Decision.

2. The indicative initial estimated breakdown among the Structural Funds of the total Community assistance available is as follows:

— ERDF: EUR 13 375 500,

— ESF: EUR 4 699 500.

3. During implementation of the financing plan, the total cost or Community financing of a given priority may be adjusted in agreement with the Member State by up to 25 % of the total Community contribution to the Single Programming Document throughout the programme period, or by up to EUR 30 million, without altering the total Community contribution referred to in paragraph 1.

## Article 4

This Decision is without prejudice to the Commission's position on aid schemes falling within Article 87(1) of the Treaty that are included in this assistance and which it has not yet approved. Submission of the application for assistance, the programme complement or a request for payment by the Member State does not replace the notification required by Article 88(3) of the Treaty.

Community financing of State aid falling within Article 87(1) of the Treaty, granted under aid schemes or in individual cases, requires prior approval by the Commission under Article 88(3) of the Treaty, except where the aid falls under the *de minimis* rule or is exempted under an exemption regulation adopted by the Commission under Council Regulation (EC) No 994/98 of 7 May 1998 on the application of Articles 92 and 93 to certain categories of horizontal aid <sup>(2)</sup>. In the absence of such exemption or approval, aid is illegal and subject to the consequences set out in the procedural regulation for State aid,

<sup>(2)</sup> OJ L 142, 14.5.1998, p. 1.

and its part-financing would be treated as an irregularity within the meaning of Articles 38 and 39 of Regulation (EC) No 1260/1999.

Consequently, the Commission will not accept requests for interim and final payments under Article 32 of the Regulation for measures being part-financed with new or altered aid, as defined in the procedural regulation for State aid, granted under aid schemes or in individual cases, until such aid has been notified to and formally approved by the Commission.

*Article 5*

The date from which expenditure shall be eligible is 4 July 2000. The closing date for the eligibility of expenditure shall

be 31 December 2008. This date is extended to 30 April 2009 for expenditure incurred by bodies granting assistance under Article 9(l) of Regulation (EC) No 1260/1999.

*Article 6*

This Decision is addressed to the Republic of Austria.
